

Expedited Food Assistance Benefits

If you have little/no money and/or little/no assets and/or high shelter expenses, you **might** qualify to have your Food Assistance Program (FAP) application processed more quickly. Ask the receptionist for an application filing form or apply online at michigan.gov/dhs. Complete it, sign and date it, and **TURN IT IN TODAY!**

A specialist will look at the information you have provided and

will be able to tell you whether you qualify for faster service **or** if you must wait the normal processing time.

If you have the right to faster service, you will still have to complete the entire application form and talk with a specialist to see if you qualify for food assistance benefits. You will also need to provide the Department with the required documents to verify your statement **as soon as possible.**
