Thank you for your interest in Attorney General Bill Schuette’s Michigan Cyber Safety Initiative (CSI) and the student safety program, OK2SAY. The CSI program teaches students the importance of making safe and smart choices in a technologically evolving world. OK2SAY empowers students to break the code of silence and speak out against potential harm or criminal activity by confidentially reporting threatening behaviors.

All materials and handouts are available at the [Michigan CSI website](http://www.mi.gov/csi) (www.mi.gov/csi). If you have questions, please call the Attorney General’s Consumer Programs Team at 877-765-8388.
