

Keenan West's "Never Ever" (Video Version)

When the going gets tough
And the tough get going
And you feel like you are all alone
When you're in trouble
Can't see your way
And you can't make it
Another day

Through the rain and through the fire
Even in your toughest day
I'll be right here by your side
I'll be with you all the way
Through the ups and through the downs
I'll be here until the end
Keep in mind no matter what
Through it all you've got a friend

Never ever
Never ever
Never ever leave you alone

Never ever
Never ever
Never ever leave you alone

Oh Oh
Oh Oh oh
Oh oh
Oh oh oh

When it feels like you're
In the darkest days
And your pain it won't
It won't go away
Don't you give up
And don't give in
I'll be right here
'Til the very end

Through the rain and through the fire
Even in your toughest day
I'll be right here by your side
I'll be with you all the way
Through the ups and through the downs
I'll be here until the end
Keep in mind no matter what
Through it all you've got a friend

Never ever
Never ever
Never ever leave you alone

Never ever
Never ever
Never ever leave you alone

Oh Oh
Oh Oh oh
Oh oh
Oh oh oh
Oh oh

Rap:
No matter who the victim
Hate is the engine
Fear is the petro
Stand up and get yourself in
The worldwide movement
From here to Zimbabwe
Call me Sinatra
'Cause I do it my way
Open up your eardrums
Prop up your windows
Know no matter what
I'll be here from the intro
You know I got your back
When your back hits the fan
Through until the end
Your wingman.

Through the rain and through the fire
Even in your toughest day
I'll be right here by your side
I'll be with you all the way
Through the ups and through the downs
I'll be here until the end
Keep in mind no matter what
Through it all you've got a friend

Never ever
Never ever
Never ever leave you alone

Never ever
Never ever
Never ever leave you alone

Oh Oh
Oh Oh oh
Oh oh
Oh oh oh
Oh oh
