## OCTOBER IS NATIONAL BREAST CANCER AWARENESS MONTH

Breast cancer is the leading form of [cancer](#) among women. It can affect anyone, regardless of age, gender, or race. The [American Cancer Society](#) estimates that during 2013, there will be over [200,000 new cases](#) of breast cancer throughout the United States. Over 50,000 Michigan residents will be diagnosed with cancer this year.

Help prevent breast cancer by having a [mammogram](#) and a [clinical breast exam](#) every year after the age of forty. It's important to know the [risks](#) and speak to a doctor about any concerns or questions.

Throughout October, you may receive numerous charitable appeals. The Attorney General's [Charitable Trust Section](#) can provide you with registered charities financial information. Contact the Charitable Trust Section at 517-373-1152 or [www.mi.gov/agcharitysearch](http://www.mi.gov/agcharitysearch) to learn more.

You can also join the fight against breast cancer by signing up to be a part of a [Making Strides Against Breast Cancer](#) event. You can walk, join a team, or financially support an individual or existing team. Click [here](#) to learn more.
