Sec. 802. As a condition of expenditure of the funds appropriated in part 1, the department shall provide the senate and house of representatives appropriations subcommittees on corrections, the legislative corrections ombudsman, the senate and house fiscal agencies, and the state budget director with quarterly reports on physical and mental health care detailing quarterly and fiscal year-to-date expenditures itemized by vendor, allocations, status of payments from contractors to vendors, and projected year-end expenditures from accounts for prisoner health care, mental health care, pharmaceutical services, and durable medical equipment.

**Status of Payment from Contractors to Vendors** - The Michigan Department of Corrections (MDOC), Budget and Operations Administration, periodically conducts a financial review of Corizon payments for timeliness and accuracy of claims payment information. The financial review for payment status of claims for Service dates beginning 10/1/2015-11/30/2016 for the contract with Corizon showed that 96.4% of received claims were paid within 45 days. Of the 40,614 service claims received and processed from 10/1/2015-11/30/2016, there were 39,140 vendor claims (complete and with authorization codes) paid within 45 days. There were 1,474 vendor claims (3.6% of the total vendor claims) paid after 45 days. Monthly reports are received by the MDOC detailing the status of all claims.
