RELATED STATE-WIDE OPERATING PROCEDURES:

04.07.110 State-Issued Items and Cell/Room Furnishings

POLICY:

GENERAL INFORMATION

- A. For purposes of this policy, "prisoner" includes probationers in the Special Alternative Incarceration Program (SAI).
- B. All state-issued items and cell/room furnishings shall be clean and in good repair and shall be replaced in accordance with policy at all facilities as needed due to normal wear and tear or loss.
- C. The Correctional Facilities Administration (CFA) Deputy Director shall determine the official material for state-issued prisoner clothing. The clothing shall be issued to prisoners in the proper size and shall be reissued as necessary due to a change in clothing size. If a prisoner requests an item in an unusual size (e.g. extremely large; extremely small) and the item cannot be provided from Michigan State Industries within 30 calendar days of the request, the item shall be immediately ordered from another source. Clothing items shall be worn consistent with standards set forth in procedures issued by the CFA Deputy Director or, for SAI, as set forth by the Warden of the Cooper Street Correctional Facility (JCS). Except for underwear and headgear issued pursuant to Paragraph I, clothing items may be reissued to other prisoners.
- D. Prisoners are responsible for having their washable state-issued items, including clothing, laundered. Each Warden shall develop a laundry schedule to ensure that regular laundering services are available to prisoners. Laundry schedules shall be posted in all housing units in an area accessible to prisoners.
- E. Prisoners may not decline state-issued items issued pursuant to Paragraph I except for pajamas, underwear items, or if an alternate item is required to be issued for medical reasons as documented by a currently valid Special Accommodation Notice (CHJ-244) issued pursuant to PD 04.06.160 "Medical Details and Special Accommodation Notices."

STATE-ISSUED CELL/ROOM FURNISHINGS IN CFA INSTITUTIONS

- F. In SAI, state-issued cell/room furnishings shall be issued as determined by the JCS or the WHV Warden as appropriate. For all other prisoners in the general population, state-issued cell/room furnishings for prisoners shall include the following, unless specifically exempted in writing by the CFA Deputy Director:
 - 1. One acrylic, stainless steel or polished aluminum mirror. This is not required if mirrors are provided in a

community grooming area (e.g. washroom).

2. Bulletin board – maximum 2' x 2'. Except for a reasonable selection of neatly arranged pictures that may be displayed on a desk or locker top or inside the locker, pictures and other displays may be hung only on a bulletin board within the prisoner's cell or room. Nude pictures, to the extent permitted in PD 05.03.118 "Prisoner Mail." shall not be displayed or hung anywhere in a cell or room, including on bulletin boards or inside lockers. This does not prevent a prisoner from keeping the nude pictures in an approved scrapbook or photo album provided the pictures are not openly displayed in the cell or room.

The form shall be signed by both the prisoner assigned and the staff person completing the form. Staff also shall complete the form for that cell/room when the prisoner is reassigned to another cell/room. Staff shall identify any items missing from or damage to the cell/room.
- H. Prisoners shall be held responsible for their willful loss of or willful damage to state-issued cell/room furnishings. If a prisoner does not agree to the removal of funds from his/her account to pay for the cost of the item, a hearing shall be conducted pursuant to Administrative Rule 791.3310 or LARA Administrative Rule 792.11903, as appropriate, to determine if the item was willfully lost or willfully damaged by the prisoner and, if so, whether restitution should be ordered.
