Dear Senator MacGregor and Representative Poleski:

Section 275(2) of 2014 Public Act 252 required the Department of Human Services (DHS) to provide information on administrative savings achieved through changes in DHS staffing as required under Section 275(1). Please see the attached information indicating the cumulative number of positions impacted year to date; no additional positions were held vacant or abolished since the prior reporting period. The department will provide an updated estimate of the total positions ultimately impacted by these efforts in the coming months, along with a projected total savings as these actions are completed.

If you have any questions about the attached material, please contact Susan Kangas, Director, Bureau of Adult, Aging, Children and Field Operations Budget, at (517) 373-7787.

Sincerely,
