WHAT INFORMATION DO I NEED WHEN I FILL OUT THE FAFSA?

Here's a checklist!

You should have the following information and documents with you as you fill out the FAFSA:

- Your Social Security number
- Your parents' Social Security numbers if you are providing parent information*
- Your Alien Registration Number if you are not a U.S. citizen
- Federal tax information or tax returns** including IRS W-2 information, for you (and your spouse, if you are married), and your parents if you are providing parent information
 - **If you file your taxes before filling out your FAFSA online, you might be able to have your tax information automatically retrieved from the Internal Revenue Service (IRS) and inserted in your FAFSA. The FAFSA will walk you through the process.
 - If you have not yet filed an income tax return, complete and submit the FAFSA using estimated tax information.
 - Use income records for the year prior to the academic year for which you are applying: for instance, if you are filling out the 2013-2014 FAFSA, you will need 2012 tax information.
- Records of your untaxed income, such as child support received, interest income and veterans non-education benefits, for you and for your parents if you are providing parent information.
- Information on cash; savings and checking accounts balances; investments, including real estate but not including the home in which you live; and business and farm assets for you, and for your parents if you are providing parent information.

*Not sure whether you will need to put your parent's information on the FAFSA? Check out "Am I Dependent or Independent?" at www.studentaid.ed.gov/pubs or call **1-800-4-FED-AID (1-800-433-3243)**
