## **General Requirements**

---

- Revenue-generating contracts or purchase orders may require Ad Board approval.
- Until the value of a contract or purchase order reaches \$250,000, a contract or purchase order and its amendments do not require Ad Board approval.
- Contracts and contract amendments for the purchase of materials and services procured through the Michigan Supplier Community Program (“MiSC”), regardless of the source of funding or duration, require prior approval of the Ad Board if \$500,000.01 or more.
- A request for retroactive approval of a non-emergency purchase must be accompanied by a letter from the Agency’s director or designee explaining the reason the purchase was made without prior Ad Board approval and how the Agency’s procedures have been modified to prevent future purchases without prior Ad Board approval.
- Prior approval by the Ad Board is not required for contracts for emergency purchases entered into cases involving threats to public health or safety, emergency repairs or construction, or in response to a declared state of emergency or state of disaster under the Emergency Management Act, 1976 PA 390, MCL 30.401 to 30.421; 1945 PA 301, MCL 10.31 to 10.33; or 1982 PA 191, See the Michigan Procurement Policy Manual (MPPM), Chapter 5, Section 5.7. All emergency contracts must be reported to the Ad Board within 30 days after execution.
- An emergency purchase less than or equal to \$5000 (MPPM, Chapter 5, Section 5.6) or from an existing state contract does not need to be reported to the Ad Board.

## **New Contract Requirements**

---

For procurement of goods and services between state departments and vendors, between state departments and educational institutions, or between state departments and other governmental units are as follows:

- All contracts or purchase orders of \$250,000 or more require Ad Board approval prior to execution.
- All contracts whose dollar values are not fixed but which are estimated to be \$250,000 or more require Ad Board approval prior to execution.
- If the new contract requires Ad Board approval, a Bid Tab must be submitted to the Ad Board Secretary.
- Contract protest periods for submitted items must expire no later than 5:00 p.m. the day before the F&C meeting, and protests for any submitted items must be resolved no later than 5:00 p.m. the day before the F&C meeting or the item will be removed from the F&C Agenda. The Ad Board Secretary must be notified of any unresolved protest before the F&C meeting.

## **Contract Amendment Requirements**

---

For procurement of goods and services between state departments and vendors, between state departments and educational institutions, or between state departments and other governmental units are as follows:

- Once a contract or purchase order reaches \$250,000, the first amendment that takes the total amendment amount to \$250,000 or more requires Ad Board approval prior to execution.
- Once \$250,000 in amendments has been approved for a contract or purchase order, amendments may accumulate up to \$250,000 again before amendments require Ad Board approval prior to execution.
- If the contract amendment requires Ad Board approval, a CCR must be submitted to the Ad Board Secretary.
- Once the Ad Board approves the term of a contract, Ad Board approval of different start and end dates is not required as long as the contract term remains the same.
- An Option is an additional length of time allowed under the contract and does not require Ad Board approval unless money to fund the option is also being added and the new amount requires Ad Board approval.
- If the proposed action is exercising multiple option years, explain the benefit to the state on the CCR.
- If the proposed action is allowed in the current contract language and requires Ad Board approval, the CCR must state that the current contract language allows the amendment.
- If the proposed action is a change in scope of the contract (including extension beyond the final term), Ad Board approval is required and the CCR must include the language explaining the appropriate exception to competitive bidding from MCL 18.1261(3). Ad Board approval is **not** required if the proposed action is an amendment to the existing contract to add reasonably related goods or services and is approved by the Chief Procurement Officer, or designee, pursuant to Section 5.7.6 of the Michigan Procurement Policy Manual.
