

Northern Inland Lakes Citizens Fishery Advisory Committee

Established by the Michigan Department of Natural Resources, to improve and maintain fishery resources of Lake Huron through better communication and partnership.

Northern Inland Lakes Citizens Fishery Advisory Committee Agenda

Friday, April 18
Tuscarora Township Hall
12:00 p.m. – 4:00 p.m.

12:00 Welcome, introductions (Frank Krist and Tim Cwalinski).

12:05 Continued and new aquatic research efforts in the Waterway during 2014 (Dan Hayes, Professor MSU Department of Fisheries and Wildlife).

12:25 Michigan DNR's Aquatic Invasive Species (AIS) program. What is the role of the DNR in reducing invasive species statewide and in the Inland Waterway? (Seth Herbst, DNR Invasive Species Coordinator).

1:05 Sea lamprey research in the Cheboygan River watershed: plans for 2014 and how the public can help (Nick Johnson, U.S. Geological Survey Great Lakes Science Center; Pete Hrodey, U.S. Fish and Wildlife Service).

1:35 The DNR Aquatic Habitat Grant Program. What is it and are there any implications for the Inland Waterway? (Todd Grischke, DNR Lake Huron Basin Coordinator).

2:05 New information on the size, movement, and other aspects of the walleye population in the Inland Waterway (Seth Herbst, MSU Department of Fisheries and Wildlife).

2:25 Break

2:35 Walleye stocking and fall juvenile survey results in the Waterway in 2014. Are there plans for either? (Dave Borgeson, DNR Northern Lake Huron Management Unit).

2:50 DNR Fisheries Division and Tribal updates.

3:10 Round table with questions, comments and suggestions from the attendees.

3:50 A review of the draft Terms of Reference (Frank Krist and Tim Cwalinski).

4:00 Adjourn.
