

## Northern Inland Lakes Citizens Fishery Advisory Committee

Established by the Michigan Department of Natural Resources, to improve and maintain fishery resources through better communication and partnership.

### Northern Inland Lakes Citizens Fishery Advisory Committee Agenda

**Friday, April 10, 2015**  
**Tuscarora Township Hall**  
**12:00 p.m. – 4:30 p.m.**

**12:00** Welcome, introductions (Frank Krist and Tim Cwalinski, DNR).

**12:05** A look back and review of the comprehensive walleye study in the Inland Waterway. What did we learn, and how do we move forward? (Seth Herbst, DNR Invasive Species Coordinator).

**1:35** The Black Lake Sturgeon Management Plan Direction. A brief discussion on its progress and future plans for Mullett and Burt lakes (Dave Borgeson, DNR Northern Lake Huron Management Unit Supervisor and Maxwell Field, Little Traverse Bay Band).

**2:05** Break.

**2:15** New chemical free approach to treating lamprey larvae in the Pigeon, Sturgeon and Maple Rivers (Nick Johnson, U.S. Geological Survey Great Lakes Science Center, Hammond Bay Biological Station).

**2:45** Officially adapting the Terms of Reference for the Committee (Frank Krist and Tim Cwalinski).

**3:00** Potential changes to the Michigan daily combined possession limit for pike, walleye, and bass (Dave Borgeson, DNR Northern Lake Huron Management Unit Supervisor).

**3:20** Round table discussion including agenda items for the fall meeting, fishing reports, projects, questions, comments and suggestions from the attendees.

**4:10** DNR Fisheries Division and Tribal updates.

**4:30** Adjourn.
