

14. What legal arguments have been posited regarding the legality of requirements/benefits to place renewable energy generation in specific geographic areas, or requirements/benefits related to locally manufactured products?

The Clean Energy States Alliance issued a report in 2011 discussing this issue.

The Commerce Clause and Implications For State Renewable Portfolio Standard Programs - <http://lawofficesofcarolynelefant.com/wp-content/uploads/2011/06/CEG-Commerce-Clause-paper-031111-Final.pdf>
