

Since January of 2012 the State of Michigan has been in the Consumer Fireworks Business. Together with the Fireworks Retailers we have brought millions of dollars of revenue into the State.

The State of Michigan has been in the Consumer Fireworks business since January 1, 2012. Public Act 256 of 2011 regulates the sales of Consumer Fireworks and defines the allocation of fees collected.

The 2018 Fireworks Season resulted in the issuance of 260 Consumer Certificates for Permanent facilities and 665 Consumer Certificates for Temporary facilities. Here you will find the current plus 5 previous year history of Consumer Certificates issued and Low Impact Registrations.
