Additional Cart Information

The cart sorts all products within orders by ADA.

If an Item is out of stock, it will be moved to the *Out of stock items* section.

Any cart errors will be displayed and must be corrected before checking out (9-liter minimum, invalid quantities, etc.).

Quantities of items in the cart can be adjusted within the cart manually or using the up/down arrows. If a quantity is adjusted after validating the cart, user will be required to validate the cart again before checking out.

When ready to complete the order, select the *Validate* button. At this point, the system accesses the ADA inventory in real time and returns out of stock inventory notices. If an out of stock notice reduces an order to less than the 9-liter minimum, messages display, and the User can edit the cart to correct the issue. All Errors must be corrected in order to checkout and place the order.

Select the + *Email address* box to enter additional email addresses that need to receive the order confirmation email.

Select the *Checkout* button when ready to submit the order to the ADA(s). A confirmation email goes to the default email address, any additional emails entered, and to the MLCC.

New OLO FAQs

Why is OLO being updated?

OLO is being updated to offer licensees a more up to date application. Many additional features will be available to MLCC’s licensees.

Do I need an email address?

Yes. The new OLO system requires all users have an email address.

How do I re-set my password?

On the login page of the new OLO system, select *Forgot my Password*.

I am having a problem resetting my password. Who do I contact?

E-Mail mlccpasswordrequests@michigan.gov or call 1-800-701-0513 and request a password letter be sent.

I’m not sure if my order took. I did not get an e-mail confirmation.

Any orders placed in the NEW OLO system will be available to view by selecting the *Orders* tab in the left column of the screen. This tab will NOT display orders placed directly through an ADA or salesperson.

What if I get busy with a customer in the middle of entering my order?

Items will remain in your cart until they are removed, or order is submitted and can no longer be adjusted because the cutoff date has passed. Should you need to log out of OLO, your items will not be removed from your cart.

Can I assign another user to place orders?

Yes. An email is sent at the issuance of the liquor ordering license to the email provided to MLCC. This user is established as the owner in the OLO system. The owner can establish two sub-users to enter orders in the OLO system. See directions above.
