**Re: WARN Notice - Temporary Layoff Status of Employees**

Dear Mr. Marcotte and Commissioner Bell:

I am writing on behalf of DTW Wine Bar, LLC (“the Company”). The Company submits this notice to you to satisfy any obligation under the federal Worker Adjustment and Retraining Notification Act, 29 U.S.C. 2101 et seq. If no obligation exists, this notice is being provided to you voluntarily.

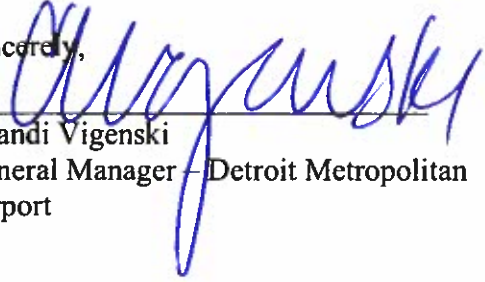

Like many airports around the world, the traffic and overall business at Detroit Metropolitan Airport (the “Airport”) located at 11050 Rogell Drive #602, Detroit, MI 48242 slowed to a fraction of its typical passenger traffic in the wake of the current global pandemic caused by COVID-19. As a concessionaire operator at the Airport, the Company made the difficult decision to place many associates on temporary layoff status beginning during the time period of April 1, 2020 to April 5, 2020.

While we had originally hoped that those associates’ temporary layoff status would be brief, due to the fluidity of the situation surrounding COVID-19 and the reopening of the economy, we are not able to predict exactly when those associates will be able to return to work. As a result, we are notifying those associates and you that their temporary layoff may last longer than 6 months.

All affected employees have been notified via U.S. mail that their temporary layoff may last longer than 6 months. Attached is a list of all positions to be affected and the number of workers currently holding those affected jobs. The Company does not have a job bumping system that will be applied during the recall process at the Airport.

If you have any questions or want additional information concerning this matter, please contact Chandi Vignski, General Manager, at (989) 737-5537 or Chandi.Vignski@vinovolo.com.

Sincerely,

  
Chandi Vignski  
General Manager – Detroit Metropolitan  
Airport
