RE: WARN NOTICE OF PLANT SALE AND POTENTIAL EMPLOYMENT LOSS – EXTENSION NOTICE

Dear Elected Officials:

This is a follow up to our letter to you of July 2, 2020, in which we informed you of reductions in force occurring at our facilities at 1400 E. 10 Mile Rd, Hazel Park, MI 48030.

Due to changed circumstances, we will require the services of some of these workers longer than we had expected. The new date when employment terminations will commence is October 1, 2020. We have advised the affected employees of this change. The reason for this postponement is delay in completing the sale from LG Electronics Vehicle Components USA to LG Chem Michigan. Further information about the new schedule of separations is available to you upon request.

For further information or to review the material required by 20 C.F.R. §639.7(e), please contact Shane Wolf, Human Resources at 248-268-9836.

Sincerely,

LG Electronics Vehicle Components USA, LLC
