

An Informative Full-Day Virtual Instructor-Led Seminar:

Understanding and Improving your Safety Culture

1 Who Should Attend . . .

This online seminar is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about workers' compensation costs.
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work.
- ▶ Business owners who want to learn about compliance with Michigan Occupational Safety and Health Administration (MIOSHA).

2 MIOSHA Training Institute

MIOSHA Consultation Education and Training (CET) Division and Macomb Community College (MCC) have developed the MIOSHA Training Institute (MTI) through a formal alliance. The MTI introduced an Assessment-Based Certificate program, effective October 1, 2007. The certificate program offers participants an opportunity to be recognized for their educational efforts and increased technical expertise. Courses are offered throughout the state in sponsorship with other M-TECSM facilities, community colleges, and safety and health organizations. To learn more about the certificate program, log-on to the CET Division website at www.michigan.gov/mti.

3 What You'll Learn . . .

This course will provide the knowledge and tools for participants to gain an understanding of the factors that affect culture and how it impacts safety performance. Management Leadership/Commitment and Employee Involvement are the most critical components of having an effective Safety and Health Management System (SHMS). This course will use data, examples, case studies, and activities to illustrate best practices and assist participants in improving their company's safety culture. **Virtual classroom with an in-person instructor. This training format can be taken from the office, home, or remotely.**

Agenda

We offer a flexible program agenda to emphasize the health and safety topics you want most.

- ▶ Define organizational culture and its effect on performance.
- ▶ Evaluate safety culture.
- ▶ Explore techniques to improve safety culture.
- ▶ Examine what good, positive safety culture looks like.
