

Cost and Proceeds

For only \$40 you will have a souvenir that can be passed from generation to generation as a cherished keepsake of a loved one's birth. The sale of each heirloom certificate will provide \$20 to the Children's Trust Fund of Michigan to help prevent child abuse and neglect.

About the Children's Trust Fund

- *Established by Public Act 250 of 1982.*
- *Michigan's only independent, statewide, nonprofit organization dedicated to the prevention of child abuse and neglect.*
- *Since 1982, CTF has generated more than \$60 million to support prevention programs and services in communities across the state, positively touching the lives of more than six million children and families.*
- *CTF does not receive state general funds for operations. The Children's Trust Fund relies on direct donations, promotional campaigns, including a specialty license plate, an heirloom birth certificate, state income tax contributions, grants, investment income and fundraising events for their programs and services.*
