Health Bite!

Be sure your infant is ready to eat foods.

To eat foods, your infant must be able to:

- Sit and hold her head steady
- Show he wants food by opening his mouth
- Show she doesn't want food by closing her mouth or turning her head

Infant Formula

Doctors strongly recommend breastfeeding as the healthiest way to feed babies.

No organic allowed

- You must buy the exact type and size container of infant formula listed on your WIC Shopping List
- If your doctor changes your formula, you must obtain WIC Clinic approval and it must appear on your WIC Shopping List
