

College Board–Approved Word-to-Word Glossaries for the SAT Suite of Assessments

This list of dictionaries/glossaries has been reviewed by the College Board and approved to use for the SAT® School Day, PSAT™ 10, and PSAT 8/9 assessments in Spring 2019. Schools may allow students to use any one of these supports during testing without further approval from the College Board. Students using these supports will receive scholarship- and college-reportable scores.

Instruct students to review the dictionary/glossary ahead of test day. Supports cannot be brought on test day—school staff must collect the books **before** test day to check them for any writing and/or inserts that are inappropriate. On test day, the proctor will distribute the books to students with their test materials and collect the books after testing.

The use of any dictionary/glossary not included in this list is prohibited. The approved dictionaries/glossaries provide word-to-word translations only. Electronic dictionaries/glossaries are not allowed. Presently, dictionaries/glossaries are not allowed for the PSAT/NMSQT® or for the SAT and SAT Subjects Tests™ administered on a published Saturday test date.
