

Summative Testing Schedule

for Online and Paper/Pencil Assessments

The Michigan Department of Education (MDE) Spring 2019 testing windows and dates for all summative online and paper/pencil assessments are included in this document. The table below shows the testing windows for the summative assessments. Please note that designated dates for paper/pencil assessment are provided in the calendars on the following pages.

NOTE: The MDE is extending the M-STEP, MI-Access, and Early Literacy and Mathematics testing windows by one week, for this year only. These extensions will likely result in delays in the release of testing data and school-level results when testing is completed. The extensions are shown in the calendar below. The **List of Important Dates** located on each assessment web page highlights the test administration activities that have been extended.
