Dear Mr. LaMacchia:

Subject: Announcement of Rural and Bridge Project Development Engineer in Local Agency Programs

The Michigan Department of Transportation (MDOT) is pleased to announce that, effective August 3, Ms. Monica Uribe has taken over the position of Rural and Bridge Project Development Engineer in the Local Agency Programs (LAP) Section. Ms. Uribe replaces Mr. Mark Harrison.

Ms. Uribe has a bachelor's degree in civil engineering from the Pontificia Universidad Javeriana, Bogota, Colombia and a master's degree in transportation engineering from the University of Arkansas. Monica has over 20 years professional experience, including over 6 years with MDOT. During her time with MDOT, she has worked as a Freeway Signing Engineer in the Traffic and Safety Section and has been working the last 5 years as the Local Agency Agreements Engineer. We are confident Monica will excel in her new role in LAP.

Sincerely,

Tracie Leix, Manager
