The MDOT Local Agency Program (LAP) unit has posted a FAQ for Local Agencies regarding using federal funds to pay for consultant/vendor services.

The goal of this document is to provide helpful guidance for Local Agency staff who are new or unfamiliar with the policies regarding the use of federal funds for consultant/vendor services.

The document does not provide any new information that cannot be found in other policies/guidelines, but does attempt to add clarity to some common issues.

The guidance can be found on the LAP website (www.michigan.gov/mdotlap). Click on one of the LAP units on the left side of the screen, then click the "Consultant Selection" link in the "Requirements" section.

Please contact your local staff engineer with any questions. You may also contact Ryan Doyle at doyle3@michigan.gov.
