Webinar Purpose

- Get information from you to update the Statewide Long-Range Transportation Plan, based on changes in the last 5 years

How Your Input Will Be Used

- Included in the Webinar summary
- Included in Consultation Reports
- Helps shape the development of the draft revised plan
- Future reference point for ongoing consultation with resource agencies and tribal governments

Webinar Outline

- Overview of existing plan
- Information on how plan relates to stakeholder groups
- Opportunity for direct input

Timeline

MI Transportation Plan Revision

- **June 2007 – March 2012**
 - Approved and Adopted
 - Implementation
 - Monitoring
- **March 2012 – August 2012**
 - Technical Report white papers
 - Trends, demographic data
- **August 2012 - September 2012**
 - Release Draft Plan Revision
 - Final Comment
 - Adopt Plan Revision

Content of MI Transportation Plan

- Policy document
- 25-year plan
- Provides future direction

Vision, Goals, Strategies

Vision

Future Transportation System

Goals

What we want to achieve

Strategies

How we will achieve goals

Projects

'How' and 'what' to achieve vision

Decision
Principles

MITP Preferred Vision

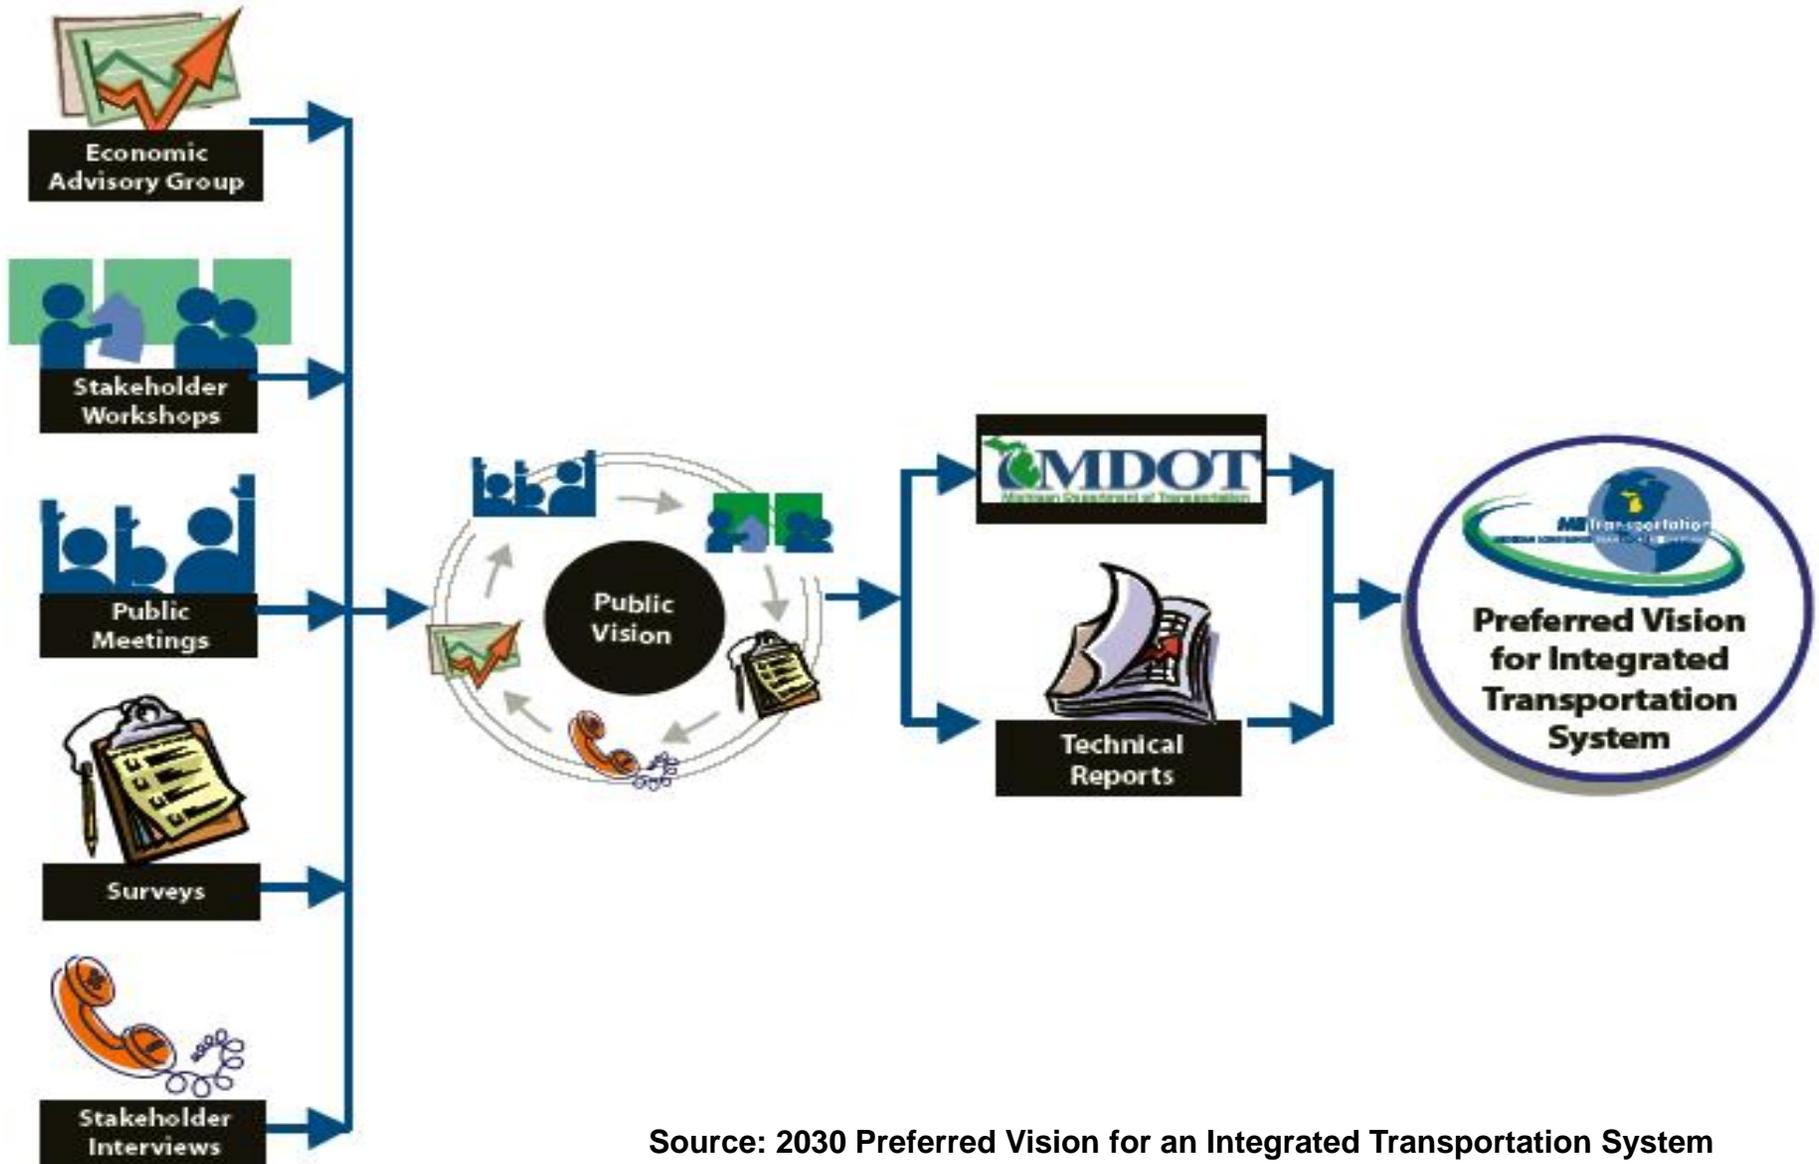

- Purposeful
- Prioritized
- Coordinated
- Safe
- Advanced

- Integrated Choices
- Appropriate to the Setting
- Flexibly-Funded
- Responsive

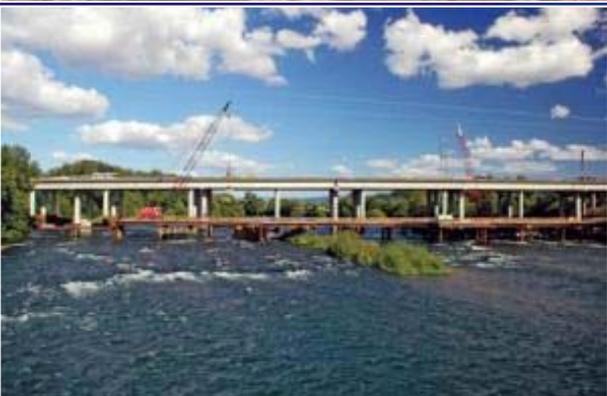

Path to the Preferred Vision

Source: 2030 Preferred Vision for an Integrated Transportation System

MI Transportation Plan Goals

- Stewardship
- Safety and Security
- System Improvement
- Efficient and Effective Operations

Stewardship

Preserve transportation system investments, protect the environment, and utilize public resources in a responsible manner.

Safety and Security

Continue to improve transportation safety and ensure the security of the transportation system.

System Improvement

Modernize and enhance the transportation system to improve mobility and accessibility.

Efficient and Effective Operations

Improve the efficiency and effectiveness of the transportation system and transportation services and expand MDOT's coordination and collaboration with partners.

Vision, Goals, Strategies

Projects

'How' and 'what' to achieve vision

Decision
Principles

MITP Key Strategies

- **Corridors of Highest Significance**
- **Integrate the transportation system**
- **Context Sensitive Solutions (CSS)**
- **Avoid, minimize or mitigate for adverse impacts**
- **Identify appropriate funding**
- **Measure performance for all modes**

Supporting Documents

- 17 technical reports
 - Transit
 - Freight
 - Land Use
- 11 strategic reports
- 10 participation reports
 - Stakeholder interview results
 - Public open house meeting results

Document Resources

- *All MI Transportation Plan: Moving Michigan Forward* documents are on MDOT's public Web site.
- All draft white papers on-line and available for review and comment

www.michigan.gov/slrp

New Plans / Policies

- **Michigan Aviation System Plan**
- **Michigan State Rail Plan**
- **Access Management Plan**
- **Complete Streets Policy**
- **Vehicle and Equipment Engine Idling Guidance**

2011 Public Survey

- *Modernize, expand, and connect the system to support economic growth and better facilitate the movement of goods, people, and services.*
- *Ensure that the environment is protected and public resources are used in a responsible manner.*
- *Continue to build, maintain and operate the safest transportation system possible.*

What We've Learned From You

- Common Themes
 - Corridor approach is a good strategy
 - Want more transportation choices
 - State's transportation system is a critical component of economic growth
 - Expand transit to meet demand
 - Multi-modal / Integration

We Need Your Input!

- Organizational Updates
- Current Issues
- New Programs
- Recent Planning Documents
- Future Priorities

Stakeholder Agency Challenges

- Budget
- Staff
- Coordinated Efforts
