

Metro Region Pump Stations (DB)

Q&A #1

7/11/2017

Q: Would you be able to provide or direct me to a list of existing qualified JOCs for ITS integration for MDOT?

A: All prequalified contractors can be found on MDOT's website - <https://mdotjboss.state.mi.us/PSVR/PrequalifiedContractors.htm>. It should be noted, a prequalification specific to ITS Integration does not exist.
