AND 2016 SIMULCAST PERMIT**

The Horse Racing Law of 1995, MCL 431.301 et seq was amended on July 1, 2016, with Public Act 271 of 2016. As a result, it is necessary to amend this previously issued order.

John Carlo, Peter Battista, Margaret Zayti Partnership, d/b/a Northville Downs, filed applications for a 2016 Race Meeting License and a 2016 Simulcast Permit with the Executive Director of the Michigan Gaming Control Board. The applications were filed under the Horse Racing Law of 1995, Public Act 279 of 1995; MCL 431.301 *et seq.*, as amended (the Act), and the administrative rules promulgated thereto.

Under Executive Order No. 2009-45 the powers and duties of the Office of Racing Commissioner were transferred to the Executive Director of the Michigan Gaming Control Board, including regulating pari-mutuel wagering, licensing, issuing final agency decisions on all contested case hearings, and the promulgation of agency rules. The Executive Director may also delegate his powers in writing to another.

The Executive Director, through the Michigan Gaming Control Board, has investigated and evaluated the applicant and its application in this matter. The Executive Director has determined and concluded that the applicant complies with the standards and requirements for granting a Race Meeting License and Simulcast Permit under the Act and the administrative rules. The Race Meeting License and Simulcast Permit are subject to the terms and conditions set forth below.

IT IS ORDERED, as follows:

1) The Executive Director hereby grants the application of John Carlo, Peter Battista, Margaret Zayti Partnership, d/b/a Northville Downs (the licensee) for a 2016 Race Meeting License to be conducted at Northville Downs. The 2016 Race Meeting License is conditioned upon the licensee's compliance with the Act, administrative rules, and orders of the Executive Director, as well as all other applicable local, state and federal laws. In particular, but not limiting the licensee's responsibility to comply with all laws, administrative rules and orders of the Executive Director, the licensee should take note of the following:

(c) In accordance with administrative rule 1095(29), the names and addresses of proposed racing officials shall be submitted in writing to the Executive Director, not less than 30 days before the start of the licensee's 2016 race meeting and shall thereafter be approved or disapproved by the Executive Director. For the duration of the 2016 Race Meeting License, the licensee shall promptly notify the Executive Director in writing of all changes in status of approved racing officials and of proposed new racing officials.

The restricted area log shall be made immediately available for inspection upon request by the Executive Director or his designee.

(e) In accordance with § 18(2)(a) of the Act, for the duration of the 2016 Race Meeting License and Simulcast Permit, the licensee shall have a fully executed written contract with a Certified Horsemen's Organization, to be able to conduct live or simulcast horse races with pari-mutuel wagering on the results of the horse races in 2016.

(f) In accordance with § 7(5) of the Act, as prescribed by the Executive Director, financial reports shall be submitted at least quarterly.

(g) In accordance with administrative rule 2070, all forms of pari-mutuel wagering conducted at the licensee's race meeting must be pre-approved by the Executive Director.

(h) In accordance with § 7(5) of the Act, the licensee shall immediately inform and advise the Executive Director in writing and provide copies of any notification it receives from any local, state, or federal agency other than the Michigan Gaming Control Board.

(i) In accordance with § 15(1) of the Act, before March 31, 2016, the licensee shall file with the Executive Director a certified statement of receipts from all sources during the previous calendar year and of all expenses and disbursements, itemized in a manner and on a standardized form as directed by the state treasurer, showing the net revenue from all sources derived by the holder of the license.

2) The licensee's live race meet, racetrack and simulcast facility are located at 301 S. Center Street, Northville, Michigan, 48167. The Executive Director maintains jurisdiction over any and all property or premises owned, leased or used by the licensee in the operation, facilitation or running of its race meeting. This includes any training facility owned, leased, or used by the licensee.

3) In accordance with § 17(7) of the Act, the conducting of all live race meetings and simulcasting is limited to those designated areas previously approved by the Executive Director within the designated licensed race track. Any change in those designated locations must be submitted in writing and specifically approved in writing by the Executive Director.

4) In accordance with § 9a of the Act, the licensee must conspicuously post at each entrance and exit of the racetrack and at each location on the racetrack where wagers on horse races are accepted, a visually prominent sign that contains the toll-free compulsive gaming help line number (800-270-7117). The licensee must also include the toll-free compulsive gaming help line number (800-270-7117) in a prominent manner on all advertisement and promotional materials.

5) The licensee shall implement the emergency preparedness plan, referenced in its 2016 Race Meeting License application, together with any additional requirements or clarifications on said plan requested of the licensee by the Executive Director, throughout and for the duration of its 2016 Race Meeting License and Simulcast Permit. Any proposed changes, updates or amendments to said plan must be promptly submitted in writing to the Executive Director.

6) Standardbred Race Meet:

(a) The Executive Director hereby allocates to the licensee, the following Standardbred horse racing dates in 2016 on which live horse racing shall be conducted by the licensee during the term of its 2016 Race Meeting License:

A total of 60 Standardbred race dates, from Friday, March 18, 2016, through Saturday, October 8, 2016. Beginning July 1, 2016, live racing will be held two days per week, Fridays and Saturdays, with no less than 8 live horse races programmed per race date.

(b) Each of the foregoing live racing dates allocated hereunder shall be utilized by the licensee to conduct live Standardbred horse races with pari-mutuel wagering on the results of horse races, unless the date is hereafter cancelled by order of the Executive Director. The Executive Director will not cancel any live racing date allocated hereunder except for those reasons permissible under the Act and administrative rules, including but not limited to budgetary reductions, insufficient staff, insufficient appropriations, or upon request of the licensee for good cause shown in accordance with MCL 431.312.

(c) All 2016 race meeting the licensees and certified horsemen's organizations were given notice that the legislative appropriation for the regulation of live horseracing, simulcasting, and pari-mutuel wagering on the results of live horse races for the 2016 fiscal year was reduced by \$670,100 from the 2015 fiscal year. Those persons are aware that due to overlapping race dates and times, specifically Fridays and Saturdays from Friday, May 27 through Saturday, September 3, there is a need to hire additional regulatory staff. At meetings held with all race meeting licensees and certified horsemen's organizations on October 7, 2015, and October 21, 2015, all race meeting licensees and certified horsemen's organizations acknowledged and understood that there may not be sufficient appropriation or staff to race on all allocated race dates. Budget projections at this time indicate a shortage is likely. If there is an insufficient appropriation or insufficient staff to conduct the allocated race dates, the Executive Director will issue Orders reducing the allocated race dates for all race meeting licensees.

7) Thoroughbred Race Meet:

The Executive Director denies the applicant's request for a Thoroughbred race meet for the following reasons: applicant and the Michigan Horsemen's Benevolent and Protective Association have terminated their agreement to race Thoroughbred horses at Northville Downs.

8) Simulcast Permit:

(a) Having determined that the licensee is now a 2016 race meeting the licensee and that the licensee meets the requirements of §18 of the Act, the Executive Director hereby grants the licensee a 2016 Simulcast Permit from January 1, 2016, through December 31, 2016. This permit authorizes the licensee to simulcast horse races to and from its race meeting to the full extent permitted by the Act and administrative rules during the term of its 2016 Race Meeting License.

(b) In accordance with § 18(3) of the Act, the Executive Director grants permission to the licensee to combine pari-mutuel wagers made under this license on interstate simulcast races with pari-mutuel wagers made at out-of-state sending host tracks on the same races to form common pari-mutuel pools created at out-of-state sending host tracks.

(c) In accordance with §18(5) of the Act, the Executive Director authorizes the licensee to transmit simulcasts of live horse races conducted under this Race Meeting License to locations outside of this state in accordance with the Interstate Horse Racing Act of 1978, 15 U.S.C. 3001 *et seq.*, as amended, or any other applicable laws; and furthermore, permits pari-mutuel pools on such simulcast races created under the laws of the jurisdiction in which the receiving entities are located to be combined in a common pool with pari-mutuel pools on the same races created at the licensee's racetrack.

(d) For the duration of the 2016 Race Meeting License and Simulcast Permit, the licensee shall have a fully executed written contract with a totalisator company on or before December 31, 2015, to be able to conduct live or simulcast horse races with pari-mutuel wagering on the results of the horse races in 2016.

(e) All simulcasts to or from the race meeting during the term of the Race Meeting License and Simulcast Permit shall at all times be conducted in compliance with the Act, administrative rules and orders of the Executive Director and applicable provisions of the Interstate Horse Racing Act of 1978, 15 U.S.C. 3001 *et seq.*, as amended.

(g) The licensee shall promptly forward to the Executive Director all copies of and all summaries of all simulcast wagering agreements that it enters into to either transmit or receive simulcast race

signals; all such agreements must be provided to the Executive Director prior to receiving any remuneration from said agreements.

(h) In accordance with § 18(2)(i) of the Act, any changes in the licensee's simulcast schedule or format shall be submitted in writing to the Executive Director for approval prior to the changes. In such cases where the change is an emergency cancellation or substitution and there is insufficient time to request and receive prior written approval from the Executive Director, the licensee shall promptly notify the Executive Director in writing of the emergency changes or substitutions.

(i) In accordance with §19 of the Act, the licensee shall promptly pay an amount contractually agreed upon to the horsemen's simulcast purse account.

(j) In accordance with § 18(6) of the Act, a race meeting licensee shall not receive and offer wagers on an interstate simulcast unless the interstate simulcast is available to all race meeting licensees in this state at the same rate.

9) The licensee shall maintain an interest bearing account for all funds due to the horsemen's purse pools, and shall timely deposit such funds in the account and credit all interest earned by the account to and for the horsemen's purse pools, under and in strict compliance with the requirements of §§ 14(7), 15(2), 17(3), 18(4) (5) and 19 of the Act.

10) In accordance with §.15(2) of the Act, on the first day, other than Sunday, after each day of operation, the licensee shall remit all monies due and payable, including simulcast tax deposits to the State of Michigan, and all other entities, at the close of the day of operation with a detailed statement of that money in accordance with and as required by the Act, administrative rules, and as otherwise directed by the Executive Director.

11) In accordance with § 14(4) of the Act, if after the issuance of this Race Meeting License the Executive Director determines upon further investigation that the licensee has not met or will be unable to meet the requirements of the license, the Executive Director may impose a fine or suspend or revoke the Race Meeting License, or both, for all or part of the remainder of the time period for which the 2016 Race Meeting License was granted.

This order supersedes the previously issued 2016 race meeting license and simulcast permit order.

IT IS SO ORDERED.
