Application for Third-party Facilitator License

**ORDER EXTENDING CONDITIONAL TEMPORARY
THIRD-PARTY FACILITATOR LICENSE**

On June 26, 2020, TVG was granted a conditional temporary third-party license which expired 30 days from issuance. On July 27, 2020, an order was issued to extend the conditional license by 30 days from July 25, 2020. On August 25, 2020, a second extension order was issued to extend the conditional license by 30 days from August 24, 2020. On September 24, 2020, a third extension was issued extending the conditional license for 60 days from September 23, 2020. It is now necessary to extend for a fourth time. A fourth extension is now ordered to extend the conditional temporary license for 6 months from November 22, 2020.

As permitted by 8(1)(d)(vi)(A) of the Horse Racing Law of 1995 (Act), MCL 431.308(1)(d)(A), the temporary third-party facilitator license is extended for an additional 6 months. TVG must still comply with the Act, the Administrative Rules, and the Order Establishing Terms, Conditions, and Fees for Third Party Facilitators issued on June 26, 2020. The Executive Director may issue sanctions including, but not limited to, revocation or suspension of a license, exclusion from racetrack grounds, or a fine.

IT IS SO ORDERED.
