

**MPSC GUIDELINE 2014-1**  
**GUIDELINE APPLICABLE TO DOCUMENTS FILED ELECTRONICALLY**

This guideline applies to documents filed electronically to the e-dockets website of the Michigan Public Service Commission (Commission), including documents filed pursuant to 1999 AC, R 460.17207 (Rule 207) or in response to an invitation for public comments. All information posted on the e-dockets website is public information. The Commission may deny for public posting documents found to contain the following:

a. Information that may be subject to the Health Insurance Portability and Accountability Act of 1996 (HIPAA), in the absence of a notarized waiver of the rights governed by HIPAA.

b. Hyperlinks or other navigational aids that link to voluminous documents without pinpointing the material within that document that addresses the subject matter of the case, such as links to entire books, newspapers, magazines, or websites. Filers should link to the targeted information. Although hyperlinks may be included in electronically filed documents, the material linked to will not become part of the official record or filing unless the material itself is filed. Filers are also reminded that such materials may be subject to copyright and other intellectual property rights and may not be reproduced without the prior written consent of the copyright holder. Filers may include hyperlinks to matter for which they have obtained all necessary consents. By submitting content to the e-dockets website, filers warrant and represent that they either own or otherwise control all of the rights to that content, including, without limitation, all the rights necessary to provide, post, upload, input, or submit the content, and that their use of the content is a protected fair use.

c. Language that is offensive, defamatory, obscene, vulgar, inflammatory, or threatening; or which is harmful in its nature including, without limitation, computer viruses, corrupted data, or other potentially harmful software or data.

Acceptance of a document for filing is not a final determination that the document complies with all of the Commission's requirements and is not a waiver of such requirements. If a filing is rejected, a "Notice of Rejection" explaining why the filing has been rejected will be sent by e-mail to the filer, or the filer will be contacted by other appropriate means.

If a filer discovers an error in the electronic filing or publishing of a document, the filer shall contact the Commission's Executive Secretary as soon as possible. The Commission will review the situation and advise the filing party of how the error will be addressed and what further action by the filer, if any, is required. Ordinarily, any modifications to a published document will require a revised filing with the Commission. If errors in the filing or publishing of a document are discovered by the Executive Secretary, Commission staff will ordinarily notify the filer of the error and advise the filer of what further action, if any, is required to address the error.
