Agenda Item: MVN – Bobby Gwizdz
Discussion: September 1 st content is due to Bobby for MVN. No sound, 'Did you know....' Format. 5 slides with static pictures. Bobby is sending out examples from other groups that have done these so far. Bobby is looking into the extra month availability for impaired/distracted walking as a topic for an MVN. Suggested selective surveying at SOS of customers to see if the message is received and retained. Suggested the message gets pushed to social media as well and focused at college students (example, U of M vs. MSU football game).
Action: Submit content
