Prospective retirees are encouraged to attend the pre-retirement counseling seminars conducted several times each year by Civil Service for civilian members and by the Human Resources Division for enlisted members. The Human Resources Division shall assist with any specific questions. This Order also establishes policies and procedures regarding the personal issued equipment that may be kept or purchased by retiring members.

### 30.2 ENLISTED MEMBERS

#### 30.2.1. ELIGIBILITY FOR RETIREMENT FOR ENLISTED MEMBERS HIRED PRIOR TO THE 123<sup>RD</sup> TROOPER RECRUIT SCHOOL

##### A. Full Benefits

An enlisted member hired prior to the 123<sup>rd</sup> Trooper Recruit School may retire upon completion of 25 years of service with an annual pension, payable monthly, equal to 60% of the enlisted member's final average compensation for their last two years of service.

##### B. Reduced Pension

Completion of at least ten years of credited service, if accumulated contributions are left on deposit in the pension fund, entitles enlisted members to a deferred retirement allowance at age 50.

##### C. Purchasing Time

- (1) Enlisted members who have accumulated at least ten years of State Police Retirement System service credit may purchase up to two years of active-duty military service time, Peace Corps, VISTA time, and/or maternity, paternity, or child rearing time, to be credited to the State Police Retirement System.
- (2) Credits shall be computed and paid prior to retirement date or any time after completion of ten years.
- (3) Write to the Department of Technology, Management and Budget, Office of Retirement Services, P.O. Box 30176, Lansing, Michigan, 48909, for necessary forms and instructions on how to obtain service credit.

Guidelines, frequently asked questions, forms, publications, and the Retirement Act can be reviewed online at <http://www.michigan.gov/ormsmp>.

D. Disability Retirement

- (1) If a member becomes ill or injured while they are an active enlisted member and can no longer work, their retirement plan provides protection for them and their dependents. Benefits are administered by the Office of Retirement Services (ORS).

Totally disabled from law enforcement functions means the member is unable to perform the full range of duties of the trooper position.
  - a. Non-Duty Disability: Must be vested with the equivalent of ten years of full-time state employment.
  - b. Duty Disability: Could be payable after graduation from the Academy.

30.2.2. INSURANCE BENEFITS FOR ENLISTED MEMBERS HIRED PRIOR TO THE 123<sup>RD</sup> TROOPER RECRUIT SCHOOL

  - (2) The Human Resources Division can provide specific details about insurance benefits for retirees and COBRA self-payment benefits for members taking a deferred retirement.
- C. Retired Voluntary Benefit Plan members may continue to participate in the plan. Members taking a deferred retirement are not eligible.

30.2.3. POST RETIREMENT ADJUSTMENT FOR ENLISTED MEMBERS HIRED PRIOR TO THE 123<sup>RD</sup> RECRUIT SCHOOL

- A. Members who have been retired at least 12 months by October 1 shall receive an annual post retirement adjustment computed on their original pension amount.

- C. Post retirement adjustments are paid as increases to the monthly retirement, not as lump sum payments.

[Pension Plus Retirement](#)

- D. The retirement benefit is 2% of a five-year Final Average Compensation (excluding overtime) times years of service up to 25 years of service. After 25 years of service, the benefit multiplier declines by .4% each year until reaching 0% after 30 years of service.

The retirement benefit depends on how much money is put in the account and the performance of the investments.
