Executive Summary

The State Emergency Operations Center (SEOC) is fully operational today from 0800 to 1700 (8:00 AM to 5:00 PM). A briefing / conference call with state agency and NGO partner organizations was held today at 1630 (4:30 PM).

SEOC personnel continue to monitor river levels across Central Lower Michigan, with particular focus on the Grand River from Lansing to Lake Michigan. In most cases, river levels are receding. As of this afternoon, river crests and current levels on the Grand River were as follows:

The Grand River at Lansing, with a flood stage of 11 feet, crested at 10.96 feet on Sunday evening and is currently at 8.25 feet.
 The Grand River at Ionia, with a flood stage of 21 feet, crested at 24.69 feet Saturday morning and is currently at 20.2 feet.
 The Grand River at Lowell, with a flood stage at 15 feet, crested at 19.02 feet on Sunday morning and is currently at 14.77 feet.
 The Grand River at Ada, with a flood stage of 20 feet, crested at 22.94 feet on Sunday morning and is currently at 19 feet.
 The Grand River at Grand Rapids, with a flood stage of 18 feet, crested at 21.85 feet on Sunday evening and is currently at 18.1 feet.
 The Grand River at Robinson Township, with a flood stage of 13.3 feet, crested at 17 feet last Friday morning and is currently at 15.61 feet.

Crests and current levels for other rivers of concern:

The Tittabawassee River at Midland, with a flood stage of 24 feet, crested at 28.37 feet early Saturday morning and is currently at 18.3 feet.
 The Saginaw River at Saginaw, with a flood stage of 17 feet, crested at 22.42 feet early Sunday morning and is currently at 18.29 feet.
 The Muskegon River at the Croton Dam, with a flood stage of 9 feet, crested at 11.11 feet early Saturday morning and is currently at 8.76 feet.
 The Cass River at Frankenmuth, with a flood stage of 17 feet, crested at 20.72 feet late Saturday evening and is currently at 14.33 feet.
 The Pine River at Alma, with a flood stage of 8 feet, crested at 10.15 feet on Thursday, April 18, and is currently at 6.1 feet.
 The Chippewa River at Mt. Pleasant, with a flood stage of 8 feet, crested at 10.46 feet last Friday morning and is currently at 6.15 feet.
 The St. Joseph River at Burlington, with a flood stage of 6.5 feet, crested at 6.51 on Thursday, April 24, and is currently at 6.46 feet.

A FEMA Liaison Officer (LNO) is working in the SEOC to coordinate federal and state operations and to provide information on flood response activities in other federal Region V states.

Local governments and state agencies continue to conduct damage assessments as flood waters recede and damage to private structures and public facilities and infrastructure becomes more visible. Support to local damage assessment operations is being provided by the respective MSP/EMHSD District Coordinators. Local damage assessment operations will continue throughout the week.

County and local EOCs are in varying levels of operation. (Current EOC and jurisdiction status information can be found in the MI CIMS "EM Program Status" board.)

The following road closures are still in effect involving state highways and trunklines:
 Eastbound and westbound I-196 BL between Ivanrest and Byron Center remains closed.

Three ARC shelters remain open at this time (in Lowell, Grand Rapids, and Comstock Park).

Summary

Agency Summaries

American Red Cross (ARC)

The American Red Cross has 3 shelters still open today (Thursday, April 25). These are located in Comstock Park, Ionia, and Lowell. As of noon Friday (April 26), only the Comstock Park shelter will be continuing to operate. The Ionia facility is being transitioned to a bulk distribution center and will be open from 8:00 AM to 8:00 PM. The Southern Baptists and Salvation Army continue to support with feeding operations.

Disaster assessment and bulk distribution activity continues today in Kent, Ionia, and Ottawa Counties. The ARC believes disaster assessment and bulk distribution operations have been completed today in Saginaw County, and are also finished in Midland County. The ARC is still waiting to see whether there are additional areas of need in Osceola and Newaygo Counties.
