

# MANAGEMENT AND HR CONSULTATION SERVICES

ESP is able to provide consultation services, in person or by phone, to Supervisors, Managers and Human Resources personnel regarding grief related concerns impacting employees and work areas.

An ESP professional staff will discuss the concerns, explore options and identify strategies and resources that could be utilized to assist with grief related concerns.

Consultation regarding strategies on how to refer an employee to ESP for grief related issues is also available. ESP will provide follow up consultation contacts to ensure that the strategies and resources recommended have been helpful, and to identify additional options if needed.

ESP office hours are 8:00 AM to 5:00 PM, Monday through Friday, (except state holidays) for consultation by telephone or to schedule an in-office appointment.
