# How to correct your license or state ID

## Steps to correct sex designation:

1. Complete a Sex Designation Form, available online at [Michigan.gov/SOSUpdateID](https://Michigan.gov/SOSUpdateID) and at any Secretary of State branch office.
2. Visit a Secretary of State office and bring your current Michigan driver's license or state ID. You are encouraged to schedule your visit for a license or ID correction ahead of time at [Michigan.gov/SOS](https://Michigan.gov/SOS) or by calling 888-SOS-MICH.
3. Pay the correction fee (\$9 for driver's license, \$10 for state ID) and take a new picture for your credential.

## Additional information

- There will now be three options available to select as your sex marker: M, F, and X.
- You will still be able to vote and your voter registration will also reflect the change. To make additional updates to your voter registration, visit [Michigan.gov/Vote](https://Michigan.gov/Vote) or your local clerk's office.
- At the same time you change your sex marker, you can upgrade your ID to be REAL ID-compliant, and change your name, but you will need to provide appropriate documentation for each transaction to do so.
- **All** our team members are instructed and committed to treat all individuals with respect. However, if you have any concerns regarding the service you received, contact our office at [Secretary@Michigan.gov](mailto:Secretary@Michigan.gov).
