Background: The WIA funds are allocated annually by formula to MWAs in support of Adult, DW, and Youth employment and training activities, including core, intensive, training, and support services.

Policy: This policy issuance distributes \$1,591,598 in additional Appropriation Year (AY) 2013 WIA DW funding to the MWAs by formula for PY 2013.

- Funding for local administration is limited to ten (10) percent of the allocation for each program.
- Funding awarded in this policy issuance is subject to a carry-forward limitation of 30 percent of the total allocation for each funding source into PY 2014. The June 30th Accrued Expenditure Report, as reported in the Management of Awards to Recipients System (MARS), will be used to determine the percentage of carry-in funds. (Note: WDA PI 13-28, issued March 31, 2014, allows for up to 100 percent carry-forward from PY 2013 into PY 2014. Please see PI 13-28 for further information.)
- Per federal law, MWAs must ensure that a minimum of 80 percent of local PY 2013 WIA Adult, DW, and Youth allocations are obligated by June 30, 2014. MWAs with obligations below the required 80 percent threshold as of June 30, 2014, are subject to the recapture of funding.
- The WIA funding must be expended using the first-in, first-out accounting method.

The MWAs may transfer up to 30 percent of funding between the Adult and DW funding streams. The MWAs may request an increase in percentage of transferable funds up to 75 percent for PY 2013 by submitting a waiver request per WDA Policy Issuance 13-04, Change 1 and the WDA notification letter of November 1, 2013.

Profit:

Please refer to the WDASOM Procurement Policy, PI 12-29, issued March 5, 2013, or any policy replacing WDASOM PI 12-29, for further information regarding profit and corresponding limitations.

All other WIA program and fiscal requirements outlined in WDA PI 13-01, issued July 1, 2013, unless modified, superseded, or rescinded by this policy issuance remain unchanged and in effect.

Action: The MWAs are required to submit a revised Budget Information Summary incorporating the additional DW allocations awarded in this policy issuance within 30 days from the issue date of this policy to Ms. Teresa Keyton at keytont@michigan.gov. Please copy your designated WIA state coordinator on the e-mail submission.

The MWAs are not required to submit a signed Approval Request form for the additional DW allocation awarded in this policy issuance.

Fiscal Information

The MWAs will process all cash requests through the MARS in accordance with the MARS Manual. The MWAs must have on file appropriate documentation to support each cash draw.

The U.S. Department of Labor, Employment and Training Administration, requires all grantees to report all financial transactions on a full accrual basis. Accrued expenditures mean the charges incurred by the grantee during a given period requiring the provision of funds for: (1) goods and other tangible property received; (2) services performed by employees, contractors, sub-grantees, subcontractors, and other payees; and (3) other amounts becoming owed under programs for which no current services or performance is required, such as annuities, insurance claims, and other benefit amounts.

In general, total accrued expenditures are costs incurred for goods and services received regardless of whether the payment has been made.

All reporting of fiscal expenditures of the funds provided through this PI must be reported to WDA on a quarterly basis. A final close-out report is also required. All quarterly financial expenditure reports are due to the WDA no later than the 20th calendar day after the end of the calendar quarter. The final close-out report is due to the WDA no later than 60 days after the end of the grant period. In the event that the due date falls on a weekend or state government holiday, the report is due on the last business day prior to the due date. Submit reports to the MARS system at <http://www.michigan.deleg-mars.org>. If there are any questions regarding cash requests or submission of expenditure reports, please call Kerry Trierweiler at (517) 241-1788 or Lori Schomisch at (517) 241-0672.
