**Background:** WIA funds are allocated by formula to MWAs in support of Adult, DW, and Youth workforce investment activities.

517.335.5858 | TTY 888.605.6722

**Policy:**

This policy issuance distributes WIA Adult, DW, and Youth funding for PY 2013.

- **July Adult and DW awards, along with the entire Youth award, are final allocations**
- **October Adult and DW awards are for planning purposes only. Finalized awards will be confirmed upon approval of the USDOL Fiscal Year (FY) 2014 Budget. These awards are subject to modification if the USDOL budget increases the state level set-aside to an amount greater than five percent.**
- Funding for local administration is limited to ten (10) percent of the allocation for each program.
- Funding awarded in this policy issuance is subject to a carry-forward limitation of 30 percent of the allocation for each funding source into PY 2014. The June 30<sup>th</sup> Accrued Expenditure Report, as reported in Management of Awards to Recipient System (MARS), will be used to determine the percentage of carry-in funds.
- Per federal law, MWAs must ensure that a minimum of 80 percent of local PY 2013 WIA Adult, DW, and Youth allocations are obligated by June 30, 2014. MWAs with obligations below the required 80 percent threshold are subject to the recapture of funding.
- WIA funding must be expended using the first-in, first-out accounting method.

MWAs may transfer up to 30 percent of funding between the Adult and DW funding streams. MWAs may request an increase in percentage of transferable funds up to 50 percent via a waiver request, per WDA Policy Issuance 13-04.

Youth Requirements

As prescribed by the WIA, MWAs must ensure that, at a minimum, 30 percent of youth funds awarded in this policy are used to provide youth activities to out-of-school youth. MWAs who fail to meet the minimum requirement may be subject to disallowed costs.

MWAs are required to offer summer youth employment opportunities that link academic and occupational learning as part of the menu of services required by the WIA.

The summer youth employment activity is not a stand-alone program. MWAs must integrate a youth's participation in summer employment into a comprehensive strategy for addressing the youth's employment and training needs. Youth participating in summer employment opportunities must be provided with a minimum of 12 months of follow-up services.

MWAs may determine how much of available youth funds will be spent on summer employment activities. Summer employment activities expenditures are required and must be included as incurred in quarterly and year-end expenditure reports.

When a youth is enrolled as an out-of-school youth, he/she maintains that designation, regardless of any new enrollment in education, until the youth is exited from WIA participation.

### Demand Driven Strategy

It is the expectation of the WDA that WIA funds are used in support of a demand-driven system. Locally defined priority industries must be identified by local Workforce Development Boards and appropriate services developed and provided based upon input received from employers and other key partners. Additional demand-driven guidance may be found in the WDA MICA Guidelines.

Where appropriate, MWAs shall use regular WIA formula funding in support of administering the three core WorkKeys assessments and the Michigan National Career Readiness Certificate (NCRC) for program participants.

The Adult and DW formula funding allocations provided in this policy issuance are presented as a total of two separate amounts, based on actual availability of funding. For the period of July 1 through September 30, 2013, MWAs **may not** incur Adult and DW obligations or expenditures in excess of the July 1, 2013 apportionment.

### Allowable WIA Costs and Expenditures

In general, to be an allowable WIA expenditure, a cost must meet the following principles:

- Be necessary and reasonable for the performance of the award
- Be allocable to the grant
- Be authorized and not prohibited under federal, state, or local laws or regulations
- Receive consistent treatment by the sub-recipient
- Not be used to meet federal matching
- Be adequately documented
- Conform to federal Employment and Training Administration grant exclusions and limitations

Expenditures of WIA funds are allowable only for those activities permitted by the WIA guidelines or federal regulations. Allowable

program activities include core, intensive, and training services as described in Section 134(d)(2), (3), and (4). Additional guidance regarding supportive services payments is also provided in Section 134(e)(2) and (3). The WIA Section 129 details the allowable and unallowable activities for the youth program.

#### Fiscal Information

The MWA will process all cash requests through MARS in accordance with the MARS Manual. The MWA must have on file appropriate documentation to support each cash draw.

The U.S. Department of Labor, Employment and Training Administration, requires all grantees to report all financial transactions on a full accrual basis. Accrued expenditures mean the charges incurred by the grantee during a given period requiring the provision of funds for: (1) goods and other tangible property received; (2) services performed by employees, contractors, sub-grantees, subcontractors, and other payees; and (3) other amounts becoming owed under programs for which no current services or performance is required, such as annuities, insurance claims, and other benefit amounts.

In general, total accrued expenditures are costs incurred for goods and services received regardless of whether the payment has been made.

All reporting of fiscal expenditures of the funds provided through this PI must be reported to WDA on a quarterly basis. A final close-out report is also required. All quarterly financial expenditure reports are due to WDA no later than the 20th calendar day after the end of the calendar quarter. The final close-out report is due to WDA no later than 60 days after the end of the grant period. In the event that the due date falls on a weekend or state government holiday, the report is due on the last business day prior to the due date. Submit reports to the MARS system at <http://www.michigan.deleg-mars.org>.
