**Background:** The JET/PATH program was established to assist public assistance applicants/recipients and low-wage workers to succeed in the labor market. The Department of Human Services (DHS), Office of Refugee Services (ORS) has provided additional employment support services to refugees that receive TANF cash assistance through the Family Independence Program (FIP). A refugee is a person who has been forced from his or her home and crossed an international border for safety. He or she must have a well-founded fear of persecution in his or her native country, on account of race, religion, or nationality, membership in a particular social group or political opinion.

The PATH program is a partnership between the Michigan Works! Agencies (MWAs), DHS, and the WDA.

The number of refugees coming into the country is highly variable. It is not possible to state for certain the number of participants that will be served in a given year. However, the ORS has identified seven counties in Michigan that will be serving FIP to the majority of refugees. Those counties are Calhoun, Kent, Ingham, Macomb, Oakland, Wayne and Washtenaw.

The ORS has contracted with refugee contractors to provide employment support services exclusively to MWA-referred refugees who are receiving FIP.

This policy issuance allocates additional funding in the amount of \$300,000.

**Policy:** This policy issuance allocates additional funding in the amount of \$300,000. This award increases the FY 2014 allocation to a total of \$684,000.

### **PROGRAM ELIGIBILITY**

The TRP seeks to provide FIP applicants/recipients with employment-related services, training and supportive services to obtain and retain employment. The MWA is required to serve all refugees who are referred. All refugees who have not attained United States (U.S.) citizenship and have lived in the U.S. five years or less are eligible for TANF FIP services.

The PRWORA established a five-year lifetime limit on receipt of federal TANF assistance for adult-headed families. Beginning October 2, 2011, Michigan implemented stricter enforcement of the federal 60-month time limit, as well as executed the state's 48-month lifetime limit. The begin date for the federal time limit is October 1, 2006, and the state time limit begin date is October 1, 2007. The PATH program will **not** provide any services to PATH participants once their case closes due to the client reaching either time limit.

**Action:** Affected MWA officials shall prepare and submit a Budget Information Summary within 30 days of the official date of this policy issuance via the internet e-mail system to Pam Vance at [Vancep1@michigan.gov](mailto:Vancep1@michigan.gov).

**Inquiries:** Questions regarding this policy issuance should be directed to Ms. Yvette Harris at (517) 241-0092 or by e-mail to [HarrisY@michigan.gov](mailto:HarrisY@michigan.gov).
