Michigan Employment Security Act
Wagner-Peyser Act of 1933, as amended by the WIOA of 2014

Background: The REA Pilot program and the RESEA program provide customized services to the Unemployment Insurance claimants deemed most likely to exhaust their unemployment benefits. These two programs offer an orientation to the Michigan Works! Service Centers, an eligibility assessment, a work search plan, labor market information, career guidance, and reemployment services to the

claimants. Previously, there was not a paid training component attached to these two programs.

Selected MWAs will be allocated funds to provide career services and work-based learning opportunities, such as apprenticeships and On-the-Job Training, to allow REA and RESEA claimants at risk of exhausting their unemployment benefits an opportunity to “earn and learn.”

Policy: This policy change de-obligates \$38,000 from Detroit Employment Solutions Corporation (DESC) and awards additional funding to Michigan Works! Northeast Consortium (\$13,000), Michigan Works! Region 7B Consortium (\$10,000), and GST Michigan Works! (\$15,000).

All other requirements of PI 15-31, dated December 21, 2015; PI 15-31 Change 1, dated April 7, 2016; PI 15-31 Change 2, dated August 26, 2016; PI 15-31 Change 3, dated September 16, 2016; PI 15-31 Change 4, dated February 24, 2017; and PI 15-31, Change 5, dated February 8, 2018, not specifically altered by this policy change remain unchanged and in effect.

Action: Revised Budget Information Summaries have been received from DESC, Northeast, Region 7B, and GST Michigan Works! showing the allocation changes. No further action is required.
