**Policy Issuance (PI) 17-17**

**Date:** August 31, 2017  
**To:** Michigan Works! Agency (MWA) Directors  
**From:** Wanda M. Stokes **SIGNED**  
Director  
**Subject:** Capacity Building and Professional Development Allocations (CBPD) for Program Year (PY) 2017, the Period of July 1, 2017 through June 30, 2018

**Programs Affected:** Workforce Innovation and Opportunity Act (WIOA) Title I Programs

**Rescissions:** None

**References:** The WIOA of 2014, Public Law 113-128 (29 United States Code Section 3101, *et. seq.*)

The WIOA Final Regulations as Published in the Federal Register on August 19, 2016 (20 Code of Federal Regulation Part 675 et al.)

**Background:** The WIOA, which supersedes the Workforce Investment Act of 1998, presents an extraordinary opportunity to improve job and career options for our nation's workers and jobseekers through an integrated, job-driven public workforce system that links diverse talent to businesses.

The WIOA supports the development of strong, vibrant regional economies where businesses thrive and people want to live and work. This revitalized workforce system will be characterized by three critical hallmarks of excellence:

- (1) The needs of business and workers drive workforce solutions.
- (2) One-Stop Centers provide excellent customer service to workers, jobseekers and employers, and focus on continuous improvement.

- (3) The workforce system supports strong regional economies and plays an active role in community, economic and workforce development.

The Michigan Talent Investment Agency (TIA) has identified \$700,000 in Appropriation Year 2015 WIOA Statewide Activity funds to be used in support of CBPD activities for PY 2017.

**Policy:**

The CBPD funding may be utilized for, but not limited to, supporting state and local partnerships, enhancing system capacity to provide opportunities for individuals with barriers to employment to enter in-demand industry sectors or occupations and nontraditional occupations, developing and improving local program performance and goals, and assisting ongoing system development and proficiency, including professional development and technical assistance.

Activities supported by this funding will assist in addressing the goals of local and/or regional strategic plans, and the needs of local and regional employers for a skilled workforce.

The CBPD funds allocated in this policy are available for expenditure for a one-year period, July 1, 2017 through June 30, 2018. The CBPD funding unexpended as of June 30, 2018, will be recaptured by the TIA.

***The use of CBPD funds for local administration is not allowed.***

Profit

Please refer to the TIA's Procurement Policy, PI 15-12, issued July 16, 2015, or any policy replacing PI 15-12, for further information regarding profit and corresponding limitations.

Fiscal Information

The local area will process all cash requests through the Management of Awards to Recipients System (MARS) in accordance with the MARS Manual. The local area must have on file appropriate documentation to support each cash draw.

The U.S. Department of Labor Employment and Training Administration requires all grantees to report all financial transactions on a full accrual basis. Accrued expenditures mean the charges incurred by the grantee during a given period requiring the provision of funds for: (1) goods and other tangible property received; (2) services performed by employees, contractors, sub-grantees, sub-contractors, and other payees; and (3) other amounts becoming owed under programs for which no current services or performance is required, such as annuities, insurance claims, and other benefit amounts.

In general, total accrued expenditures are costs incurred for goods and services received regardless of whether the payment has been made.

All reporting of fiscal expenditures for the funds provided in this policy must be reported to the TIA on a quarterly basis. A final close-out report is also required. All quarterly financial expenditure reports are due to the TIA no later than the 20th calendar day after the end of the calendar quarter. The final close-out report is due to the TIA no later than 60 days after the end of the grant period. In the event that the due date falls on a weekend or state government holiday, the report is due on the last business day prior to the due date. Local areas must submit reports in the [MARS](#). If there are any questions regarding cash requests or the submission of required expenditure reports, please call Ms. Marilyn Carey at 517-373-7243.
