**To:** Michigan Works! Agency (MWA) Directors

**From:** Wanda M. Stokes **SIGNED**  
Director

**Subject:** Fiscal Year (FY) 2018 Temporary Assistance for Needy Families (TANF) Refugee Program

**Programs**

**Affected:** Partnership.Accountability.Training.Hope (PATH)

**References:** Reauthorization of the TANF Program; Final Rule, 45 Code of Federal Regulations (CFR) Parts 261, 262, 263, and 265

Personal Responsibility and Work Opportunity Reconciliation Act of 1996

PATH Program Manual, dated November 17, 2014

Refugee Settlement Program, Federal Register 45 CFR, Part 400 and 401

**Rescissions:** None

**Background:** The PATH program was established to help public assistance applicants/recipients and low-wage workers to succeed in the labor market. The Department of Health and Human Services (DHHS), Office of Refugee Services (ORS) has provided additional employment support services to refugees that receive TANF cash assistance through the Family Independence Program (FIP). A refugee is a person who has been forced from his or her home and crossed an international border for safety. He or she must have a well-founded fear of persecution in his or her native country on account of race, religion, nationality, membership in a particular social group, or political opinion.

The PATH program is a partnership between the MWAs, the DHHS, and the Michigan Talent Investment Agency.

The number of refugees coming into the country is highly variable. It is not possible to state for certain the number of participants that will be served in a given year. However, the ORS has identified eight counties in Michigan that will provide FIP services to the majority of refugees. Those counties are Calhoun, Ingham, Kalamazoo, Kent, Macomb, Oakland, Washtenaw, and Wayne.

The ORS has contracted with refugee contractors to provide employment support services exclusively to MWA-referred refugees who are receiving FIP.

**Policy:**

The MWAs will work with their ORS refugee contractor to provide employability support services for MWA-referred refugees. The current number of FIP refugees to be served by each county is:

- Calhoun ..... 17
- Ingham ..... 208
- Kalamazoo..... 29
- Kent..... 119
- Macomb..... 375
- Oakland..... 284
- Washtenaw..... 48
- Wayne.....381 (SEMCA = 279, DESC = 102)

The MWAs, their local DHHS office, and their refugee contractor shall develop a local TANF Refugee Program (TRP) plan summary to address PATH activities for refugee participants for the period of October 1, 2017 through September 30, 2018.

**ALLOCATIONS**

The FY 2018 General Fund/General Purpose funding amount of \$700,00 will be distributed within the eight MWAs delivering the TRP. The allocation is based on the number of FIP refugees to be served. See attached allocation chart. Administrative costs will be limited to 12 percent.

**PROGRAM ELIGIBILITY**

The TRP seeks to provide FIP applicants/recipients with employment-related services, training, and supportive services to obtain and retain employment. The MWA is required to serve all refugees who are referred, all refugees who have not attained United States (U.S.) citizenship, have lived in the U.S. five years or less and are still eligible for TANF/FIP services. The list of eligible populations includes asylees, victims of trafficking, Cuban/Haitian entrants, etc.

**PROGRAM DESIGN, GOALS, AND OBJECTIVES**

The TRP will follow the same PATH program design, goals, and objectives that are found in the FY 2018 PATH Plan Instructions (PI 17-21), or any future policy that replaces PI 17-21.

## **CASE MANAGEMENT**

The TRP will follow the PATH Case Management Guidelines as outlined in Chapter 10 of the PATH Program Manual or any future manual updates.

### **21-Day Application Eligibility Period (AEP)**

Beginning January 1, 2013, Michigan required FIP applicants to successfully complete a 21-day AEP and orientation at MWAs, as a condition of eligibility for FIP benefits. The TRP participants must also follow this requirement as outlined in Chapter 6 of the PATH Manual or any future manual updates.

### **One-Stop Management Information System (OSMIS)**

MWAs must ensure that refugee participants' work participation activities are entered into the OSMIS. In the OSMIS, refugees will have the same activity options and actual hour entries as regular PATH customers. An indicator has been added to the Welfare Reform header to signify that these participants are refugees.

### **Employability Services**

The DHHS refugee contractor can provide refugee specific assistance with employment supportive services, including:

- Job placement services.
- Job retention services.
- Job readiness.
- Assisting clients with reporting on the PATH activities listed above.
- Recertification/licensing.
- Assistance in obtaining Employment Authorization documents.

The MWA will provide all allowable supportive services as needed and required to ensure that the participants are fully engaged with PATH activities. MWAs are encouraged to meet with their local refugee contractor to coordinate services.

**Action:** Affected MWA officials shall prepare and submit a plan narrative and Budget Information Summary within 30 days of the official date of this policy via the email system to [wda-wr-wp@michigan.gov](mailto:wda-wr-wp@michigan.gov).
