Workforce Development Agency

Subject: Plan Instructions for Local Agreements Between the MWAs and the Michigan Department of Health and Human Services (DHHS) Local Offices to Provide Funding for Fiscal Year (FY) 2018 Partnership.Accountability.Training.Hope (PATH) Employment-Related Supportive Services

Programs Affected: PATH

References: Reauthorization of the Temporary Assistance for Needy Families (TANF) Program; Final Rule, 45 Code of Federal Regulations Parts 261, 262, 263 and 265

Rescissions: None

Background: The MWAs have entered into agreements with local DHHS offices for the purpose of providing additional TANF funding for employment-related supportive services. The additional funding may be used to increase the availability of current MWA funds for other PATH services or activities. The funds will be transferred to the Michigan Talent Investment Agency/ Workforce Development Agency (TIA/WDA) via Interagency Agreement with the DHHS, and then, allocated out to the MWAs. The attached chart identifies the MWAs that have entered into agreements with their local DHHS offices.

Policy: Funds must be expended exclusively to provide employment-related supportive services to the Family Independence Program (FIP) participants, in accordance with the TIA/WDA policy and policy established by the MWAs.

Please note that the TIA/WDA PATH policy allows for supportive services to be provided as appropriate while the FIP case is open and through the first

180 days of a participant's employment including during the Application Eligibility Period.

Use of additional employment-related supportive services funding is subject to the following provisions:

- Administrative costs are not to be taken against the supportive services allocation.
- The MWAs will not refer FIP participants back to the DHHS for employment-related supportive services unless all supportive service funds have been exhausted.
- The funds are to be independently tracked. Therefore, Grant Action Notices will be issued under Grant Name, "FY 18 TANF – Supportive Services," and Project Name, "PATH Supportive Services."
- Funds cannot be transferred between counties without prior approval from the local DHHS.
- The grant spending period for these funds is October 1, 2017 thru August 31, 2018.

All reporting of expenditures of the funds provided through this grant must be reported to the TIA/WDA and the local DHHS offices on a quarterly basis. A final closeout report is also required. For the first three quarters, financial expenditure reports are due to the TIA/WDA no later than the 20th calendar day after the end of the calendar quarter. The final quarterly report, the financial expenditure report is due to the TIA/WDA no later than the 20th calendar day after August 31, 2018. The closeout report is due to the TIA/WDA no later than October 5, 2018. Submit reports to the [Management of Awards to Recipient's System](#). If there are any questions regarding cash requests or submission of quarterly expenditure reports, please call Ms. Marilyn Carey at 517-373-7243.

Other DHHS Reporting Requirements

By the 28th of each month, the MWAs are required to provide the local DHHS office a report of the supportive services they have provided in the previous month. This report must list the supportive services provided, the individual names and case numbers, and the amount of services provided.

For Detroit Employment Solutions Corporation (DESC) and Southeast Michigan Community Alliance (SEMCA), the information is to be provided to the appropriate district office.

It is very important that all supportive services, to the extent possible, be documented on the One-Stop Management Information System. Please choose the "Employment-Related" fund source when entering services paid with these funds. The TIA/WDA is required to submit quarterly reports to the DHHS consisting of the following information:

- A list of participants.

- Expenditures by participant.
- Description of services provided.
- Total cost of services for each participant.
- Bulk purchases (can be noted as “bulk”).
- The total amount of funding expended by category and the number of participants served for the reporting period.

The DESC and SEMCA must list the above requirements by district office in Wayne County. These reports should be sent to the TIA/WDA by January 19, 2018, April 20, 2018, July 20, 2018, and October 5, 2018, to:
