

How to Enroll in the MI Safer Sports Testing Program

Examples to be compliant with the MDHHS epidemic order

- 1) Use local testing sites
- 2) Contract with a vendor/lab
- 3) Procure your own antigen testing supplies (including at-home tests)
- 4) Enroll in the MI Safer Sports Testing Program and request antigen testing kits

*and follow MDHHS testing cadence

Enrollment: High School Sports

- Principles, Superintendents, or Administrators should submit ONE enrollment per school
 - All schools will need to enroll all students and staff to be tested regardless of a prior submission
- This enrollment will encompass ALL students in your school partaking in testing.
 - Unvaccinated student-athletes are mandated to test 1x weekly
 - You may also elect to test other unvaccinated students (band, drama club, robotics, general high school population) at the same cadence of 1x per week.
- Once submitted your local ISD will be able to see the tests requested and will be allocated enough to accommodate each request.
- You will work with your ISD to collect allocated tests

Enrollment: High School Sports continued

- If you decide to add more students at any point you will need to submit a second enrollment form for those students and ISDs will continue to be stocked as needed
- By agreeing to participate in this program, you attest that you will:
 - You have a CLIA Waiver
 - You will abide by the regulations of the state and local health department
 - You will have staff trained
 - You understand all reporting requirements
 - You will follow all guidelines produced by MDHHS

Enrollment: Sports Leagues and Sporting Clubs

- Sports leagues administrators will need to complete this form: [MI SAFER Sports](#)
- Once completed you will be able to request test kits and they will be shipped to you.
- By completing this form, you attest you have
 - A CLIA Waiver
 - PPE
 - Watched the training videos
 - You understand all reporting requirements
 - You will follow all guidelines produced by MDHHS
