**Status of Payment from Contractors to Vendors** - The Michigan Department of Corrections (MDOC), Budget and Operations Administration, conducts a monthly financial review of Corizon payments for timeliness and accuracy of claims payment information. The financial review for payment status of claims for paid dates beginning 2/1/2020-1/31/2021 for the contract with Corizon showed that 98% of received claims were paid within 45 days. Of the 45,912 service claims (excluding lab claims) paid from 2/1/2020-1/31/2021, there were 45,015 vendor claims (complete and with authorization codes) paid within 45 days. There were 897 vendor claims (2% of the total vendor claims) paid after 45 days. Monthly reports are received by the MDOC detailing the status of all claims. There was one complaint to the MDOC during this quarter from a vendor receiving late payments from Corizon, for services.
