I. CSBG PROGRAM DESCRIPTION:

The Community Services Block Grant (CSBG) program funding for American Indian activities is administered jointly by the Michigan Department of Human Services (DHS) and the Michigan Department

of Civil Rights (MDCR). This Request for Proposal (RFP) solicits participation of American Indian tribal groups and organizations in the use of CSBG funding to provide services to assist in the reduction of poverty and in the empowerment of low-income families and individuals in rural and urban areas to become fully self-sufficient. The following program elements apply to this program:

A. ELIGIBILITY: Tribes and Indian organizations that meet the State Eligibility Requirements

B. PURPOSE: Projects should address the causes and effects of poverty in a specific community or region, or those areas of the community where poverty is a particularly acute problem. Projects having a long term impact, beyond the duration of the grant, will receive favorable consideration. Projects which maximize resources by generating access to other funding will also receive favorable consideration. The MDCR will pay particular attention to the population served by the grant and the potential for duplication of services.

C. CSBG FUNDING GUIDELINES: Funds must be used to:

1. Provide services and activities having a measurable and potentially major impact on the causes and effects of poverty in the community or those areas of the community where poverty is a particularly acute problem.
2. Provide activities designed to assist low-income participants to secure and retain meaningful employment; to attain an adequate education; to make better use of available income; to obtain and maintain adequate housing and a suitable living environment; to obtain emergency assistance through loans or grants to meet immediate and urgent individual and family needs, including the need of health services, nutritious food, housing, and employment-related assistance; to remove obstacles and solve the problems which block the achievement of self-sufficiency; to achieve greater participation in the affairs of the community; and to make more effective use of other programs related to the purposes of the CSBG Act.
3. Funds cannot be used for:
 - a. Purchase or improvement of land or the purchase, construction, or permanent improvement of any building or other facility.
 - b. Leasing of space and/or buildings not associated with a CSBG-allowable activity.
 - c. Political activity such as:
 - 1) Any partisan or non-partisan activity or any political activity associated with a candidate or contending faction or group, in an election for public or party office;
 - 2) Any activities to provide voters and prospective voters with transportation to the polls or provide similar assistance in connection with any such election; or
 - 3) Any voter registration activity.

D. Compliance: Proposals must comply with the regulations issued in the federal Community Services Block Grant Act, 42 U.S.C.9901 amended and the regulations by the U.S. Department of Health and Human Services, 45 CFR Subtitle A Department of Health and Human Services Block Grant Regulations.

E. POVERTY INCOME GUIDELINES APPLICABILITY: The population served must meet the poverty income eligibility guidelines for the CSBG program. The poverty income eligibility guideline for the CSBG program has increased to 200% percent of the most recent poverty income criterion published in the Federal Register by the federal Department of Health and Human Services. Documentation of poverty income eligibility must be maintained.

F. REPORTING REQUIREMENTS: Brief written quarterly reports will be required. These reports will be submitted to both the DHS and the MDCR. The quarterly reports, due fifteen days after the close of each calendar quarter, will describe project accomplishments to date, any possible concerns or problems, and project impact. The Michigan Department of Civil Rights will provide technical assistance concerning report format and content. In addition, an evaluation of the entire project is due thirty days after the close of the grant. The evaluation will cover each goal area, describing the impact and successes of the project. The evaluation should include any supporting documents from other agencies.

G. FISCAL CONTROL AND AUDIT REQUIREMENTS: Monthly statements of expenditure are required of all CSBG grantees/contractors. These statements of expenditure must be submitted by the 15th day following the end of the month for which the grantee is billing. The grantee must maintain an adequate accounting system to identify and support all expenditures billed. All grantees/contractors are required to submit audit reports according to the requirements of the Single Audit Act (OMB A-133 or A-128).

- H. OTHER AGENCY REQUIREMENTS:** Attachment A outlines contractor responsibilities, DHS responsibilities, and required general provisions of the CSBG contract. The Program Director may be required to attend training on reporting requirements.

V. CSBG Grant Award Process

Representatives of the MDCR and the American Indian community will review and score the proposals submitted by the July 1, 2010 deadline. This group will determine the grantees whose proposals, as to price and other factors, show them to be qualified, responsible, and capable of performing the proposed work. The MDCR will then make written funding recommendations to the DHS, based on the scoring criteria. The DHS will contact the grantees and initiate the contract process.

Prior to the time the contract is issued, the bidder must provide proof of public liability insurance. A copy of the policy or a letter from your insurance company (on letterhead) must be provided. If you currently do not have liability insurance, a letter from an insurance company (on letterhead) indicating the application for this insurance has been made may be submitted. However, proof of insurance must be provided prior to any contract being signed. If liability insurance cannot be obtained, you will be required to submit justification. All proposals are subject to disclosure under the Michigan Freedom of Information Act (P.A. 1976, No. 442).
