

RICK SNYDER GOVERNOR

STATE OF MICHIGAN DEPARTMENT OF HUMAN SERVICES LANSING

NICK LYON INTERIM DIRECTOR

February 23, 2015

The Honorable Peter MacGregor, Chair Senate Appropriations Subcommittee on DHS Michigan State Senate Lansing, Michigan 48933

The Honorable Earl Poleski, Chair House Appropriations Subcommittee on DHS Michigan House of Representatives Lansing, Michigan 48933

Dear Senator MacGregor and Representative Poleski:

This report is provided pursuant to the Department of Human Services' (DHS') Fiscal Year 2015 Appropriations Act, PA 252 of 2014, Article X, Section 505. This section requires that DHS submit a report for youth served in the previous fiscal year and in the first quarter of the current fiscal year outlining the number of youth served within each juvenile justice system, the type of setting for each youth, performance outcomes, and financial costs or savings. The attached report provides information for youth referred or committed to DHS for care and supervision with the exception of those youth supervised by the County of Wayne. Data regarding youth served by the County of Wayne is available directly from the Wayne County Department of Children and Family Services.

If you have any questions, please contact Dr. Herman McCall, Juvenile Justice Programs director, at (517) 335-3489.

Sincerely,

Susan Kangas

Chief Financial Officer

Section 505 Boilerplate Report

By March 1 of the current fiscal year, the department and Wayne County shall provide to the senate and house appropriations committees on the department budget and the senate and house fiscal agencies and policy offices a report for youth served in the previous fiscal year and in the first quarter of the current fiscal year outlining the number of youth served within each juvenile justice system, the type of setting for each youth, performance outcomes, and financial costs or savings.

Please note that this report is representative of data for youth referred or committed to DHS for care and supervision, with the exception of those youth supervised by the County of Wayne. Information on those Wayne County youth is available directly from Wayne County Department of Children and Family Services.

The State of Michigan operates three secure juvenile justice residential treatment facilities:

- W. J. Maxey Boys Training School in Whitmore Lake.
- Shawono Center in Grayling.
- Bay Pines Center in Escanaba.

Three-hundred-forty-three (343) youth were served at these facilities in FY 2014. This number includes both residential treatment and detention. The department continued providing detention beds at Bay Pines Center and Shawono Center in FY 2014.

One-hundred-sixty-three (163)¹ youth were served in the first quarter of FY 2015. This number includes both residential treatment and detention. The department continued providing detention beds at Bay Pines Center and Shawono Center in FY 2015.

Performance outcomes for public facilities are on pages 2-3.

Financial costs for public facilities are on page 4. Charts A and B.

¹ Some of these 163 youth are included in the previous fiscal year total as they entered care in FY 2014 and remained in care for the first quarter for FY 2015.

Performance Outcomes

Juvenile Justice Programs (JJP) has established performance outcomes and measures for public juvenile justice residential programs. JJP continually works to further develop and refine performance outcomes and measures to ensure usability and consistency of data reporting.

Outcome #1

Youth in public juvenile justice residential treatment facilities will be safe.

Measure

One-hundred percent (100%) of youth placed in public facilities shall not be a victim of substantiated child abuse and/or neglect that occurred during residential placement. Substantiated means a Children's Protective Services investigation resulting in the perpetrator being listed on the Central Registry.

- Target achieved for public facilities in FY 2014 and the first quarter of FY 2015.
 - One-hundred percent (100%) of youth placed in public facilities were not victims of substantiated child abuse and/or neglect resulting in the perpetrator being listed on the Central Registry.

Outcome #2

Youth in public juvenile justice residential treatment facilities will remain in residential placement only as long as necessary to achieve treatment goals.

Measure

Eighty-five percent (85%) of youth placed in public facilities that completed their treatment program will be released to a less secure setting.

- Target achieved for public facilities in FY 2014 and the first quarter of FY 2015.
 - Ninety-eight percent (98%) of youth placed in public facilities for residential treatment were released to a less secure setting. Of those youth:
 - o Twenty percent (20%) stepped down to a private child caring institution.
 - o Eighty percent (80%)² stepped down to a community-based placement.

² For purposes of this measure, community-based placement includes adult foster care; adult transitional facility; community justice center; parent's home; private child caring institution; private foster home; relative's home or semi-independent living.

Outcome #3

Youth in public juvenile justice residential treatment facilities will show improvement in both emotional stability and social relations.

Measure

Eighty percent (80%) of youth placed in public facilities that completed their treatment program will demonstrate increased scores in emotional stability and social relations as measured by strength and needs assessments.

- Target not achieved in FY 2014 and the first quarter of FY 2015.
 - Seventy-nine percent (79%) of youth showed improvement in social relations.
 - Ninety percent (90%) of youth showed improvement in emotional stability.

Outcome #4

Youth in public juvenile justice residential treatment facilities will not escape or be Absent Without Legal Permission (AWOLP).

Measure

One-hundred percent (100%) of youth placed in public facilities shall not escape. No more than 10% of youth in public facilities will be AWOLP.

- Target achieved in FY 2014 and the first quarter of FY 2015.
 - Zero percent (0%) of youth escaped.
 - Zero point three percent (0.3%)³ of youth were AWOLP.

³ The youth included in this measure went absent without legal permission at the time they were on a court-approved home visit. This is the same youth reflected in FY 2014 Boilerplate Section 505 report due to overlapping time frames.
