

Citizens Waterfowl Advisory Committee

Revised: January 20, 2021

The Citizen Waterfowl Advisory Committee mission is to provide feedback to the Michigan Department of Natural Resources - Wildlife Division on existing and proposed waterfowl regulations and wetland management issues. CWAC members must present views and concerns which represent stakeholders from their areas of the state and disseminate information learned at CWAC meetings back to those stakeholders.

() = starting date [] = ending date

If the member has a group with their name, they represent the group and are not an at-large member.
