CERTIFICATION

I wish to nominate the state-owned minerals for oil and gas leasing which are listed on Attachment A (Page 2). I understand the nominated lands will be included in the next available oil and gas lease auction unless removed by the DNR due to factors that prevent offering, i.e., surface use restrictions, Executive Orders, or direct leases that have been subsequently issued.

I certify that I have: 1) Researched the title of the lands outlined on Attachment A of this document; 2) Found the minerals to be under the jurisdiction of the Michigan DNR; 3) Found the minerals to be free of any leasehold interest as of the date of this nomination; and 4) Provided the names and addresses of all surface owners of record for state-owned minerals only.
