

JUNE PRESCHOOL PROGRAMS

ALL ABOUT BIRDS!

Wednesdays 10-11am at the Visitor Center

Ages 3-5. Bring your grownup! Free.

JUNE 9 - FEATHERED FRIENDS: What makes a bird a bird? Feel feathers, make your own binoculars, and go for a hike to hear bird music.

JUNE 16 - MIGRATION VACATION: Homer the Hummer is coming home from a long trip. Where has he been? Make a hummingbird feeder and go looking for Homer's favorite flowers.

JUNE 23 - NEST, SWEET NEST: Mama birds are busy laying eggs! But where? Get up close to many shapes of nests. Then go for a hike to find nesting materials and build a home for baby birds.

JUNE 30 - BIRD BEAK BUFFET: Have you ever wanted to eat like a bird? Worms, berries, bugs - yum! Play with different shaped beaks to find out which one fits with each bird's favorite food.

Space is limited: Register at the Visitor Center or by calling 231-798-3573.
