Match:

In approximately 200 words or less, please explain project outcomes and how the project advanced local coastal management efforts in the box below. Include information on the “who,” “what,” “when,” “where,” and “why.”

Please provide a more detailed description of the following in the box below:

- a. Challenge(s) or “problem(s)” being addressed.
- b. How the project promotes wise management of the cultural and natural resources of Michigan’s Great Lakes coast.
- c. How the project further advances a Michigan Coastal Management Program (MCMP) focus area(s).
- d. Benefits of the project.
- e. Lessons learned.
- f. Next steps and/or recommendations stemming from the project.

Please provide a quote in the box below from your agency’s perspective (or local project partner) regarding how project enhances local coastal management for potential use in outreach publication.

Place Grantee logo and viewer disclaimer as provided in the Grant Agreement in the box below (Update to reflect your “grantee” name.)

If applicable, please separately provide photographs depicting the accomplishments reached with the MCMP funding.

Please indicate if photograph(s) is/are included: Yes No

Provide URL information or other links below to any relevant products developed through the project that are available on the web.
