

GRETCHEN WHITMER
GOVERNOR

STATE OF MICHIGAN
DEPARTMENT OF LABOR AND ECONOMIC OPPORTUNITY

SUSAN CORBIN
ACTING DIRECTOR

OFFICIAL
Policy Issuance (PI): 20-23, Change 2

Date: March 12, 2021

To: Michigan Works! Agency (MWA) Directors

From: Marcia Black-Watson, Division Administrator **SIGNED**
Industry Engagement, Workforce Development

Subject: Fiscal Year (FY) 2021 Budget Information Summary (BIS) Instructions for the Business Resource Network (BRN) Program

Programs Affected: BRN Program

Rescissions: PI 18-20: Community Ventures (CV) Program
PI 18-40: FY 2019 Program Plan Instructions for the CV Program

References: BRN Program Manual, issued August 31, 2020
Michigan Works! Systems Plan

Background: The BRN Program is a partnership between the MWAs and the Michigan Department of Labor and Economic Opportunity, Workforce Development (LEO-WD). The program promotes economic excellence and workforce development by providing wrap-around services to the Asset Limited, Income Constrained, Employed (ALICE) population and/or individuals with demonstrated or documented barriers to employment. The ALICE population are individuals working, yet still struggling to make ends meet or are one crisis away from poverty.

The BRN program delivers wrap-around services necessary to assist eligible employees in retaining long-term, meaningful employment. The BRNs are locally driven, private-public consortia whose purpose is to improve the employer's workforce retention through employee support and training. Through the BRN model, services are directly delivered to eligible employees to offer long-term, sustainable employment options and deliver supportive services that reduce barriers to employment retention.

Benefits of this partnership include connecting employers, community, and faith-based organizations, and other state and local agencies with eligible employees to assist those with the willingness to work, but who face barriers to long-term, sustainable employment.

Policy: MWAs that met the June 30, 2020 expenditure threshold of 60% will not be subject to the December 31, 2020 85% expenditure threshold for the recapture of funds. However, only those MWAs that spent 85% of their available funds by December 31, 2020 will be eligible to receive a share of recaptured funds. Expenditures are as reported in the State of Michigan, Management of Awards to Recipient System (MARS).

This policy change recaptures a total of \$977,815 from GST Michigan Works, Oakland County, and Southeast Michigan Community Alliance and redistributes to Berrien/Cass/Van Buren Michigan Works, Detroit Employment Solutions Corporation, Macomb St. Clair Workforce Development Board, Northeast MI Consortium, Northwest Michigan Council of Governments, Region 7B E&T Consortium, Michigan Works Southwest, U.P. Michigan Works!, and Michigan Works! West Central.

The following MWAs are not affected: Capital Area MI Works, Great Lakes Bay MI Works, Southeast Michigan Consortium, and West Michigan Works.

This policy is intended to be used in conjunction with the BRN Program Manual, which provides definitions, policy guidance, program expectations, and any other applicable state and federal laws and regulations.

Allocations

Please see Attachment A for the formula funding allocations. These allocations result from a recapture/redistribution process based on a 60% minimum expenditure rate of funding awarded under PIs 18-20 and 18-40 and subsequent changes, effective with the December 31, 2020 MARS expenditure reports. The difference between the 85% minimum expenditure rate and actual expenditures was recaptured and redistributed to MWAs that met the minimum expenditure rate as of December 30, 2020.

Braiding of BRN funding with other existing funding sources is necessary to eliminate funding gaps and shortfalls as state resources diminish. The underlying funding goal for the program is for it to be self-sustaining at the local level.

All funds must be fully expended by September 30, 2021. No carry-forward of any unexpended P&I funds is allowed. The LEO-WD reserves the right to recapture any unspent funds.

Plan Instructions

The Michigan Works! Systems Plan stipulations apply to the BRN Program.

The MWA staff shall submit new BIS Forms for FY18 and FY19 plans to address BRN activities for the period of October 1, 2020 through September 30, 2021.

The BRN plan shall consist of the following:

Plan Approval/Request – which bears the signatures of authorized Chief Elected Official(s) and the Workforce Development Board chairperson.

Plan Narrative – which describes the services and planned activities to be provided October 1, 2020 through September 30, 2021. The Plan Narrative should use the BRN Program Manual. All plans should be consistent with locally approved service polices.

See Attachment B: Plan Narrative

Reporting

Bi-Monthly BRN Coordinator Conference Calls

The LEO-WD will establish a schedule and convene bi-monthly conference calls with the BRN Coordinator to discuss state and local performance, state and local updates, highlight promising and best practices, and deliver technical assistance information. BRN Coordinators should attend each bi-monthly conference call.

Quarterly Performance Reports

The purpose of the Quarterly Performance Report (QPR) is to evaluate program success and usage. The BRN metric elements sought using the BRN QPR form (Attachment C) are the:

- Names of each active BRN employer and the county employers are located,
- Number (unduplicated) of employers active in a BRN, and
- Number of employees who received a BRN service.

MWAs are expected to also provide success stories/testimonials in accordance with PI 18-27. Participant goals, progress, and types of services rendered will be tracked quarterly through One-Stop Management Information System entry and the completion of an Individual Service Strategy for those assisted with services utilizing state funds.

The QPRs are due to LEO no later than the 30th calendar day after the end of the calendar quarter. If the due date falls on a weekend or state government holiday, the report is due on the last business day prior to the due date. Quarterly Performance Reports should be emailed to, LEO-BusinessResourceNetwork@michigan.gov.

BRN Quarterly Performance Report Schedule <i>(QPRs are due within 25 days after the end of the reporting quarter.)</i>

See Attachment C: Business Resource Network (BRN) Quarterly Report

Program Planning and Coordination

The MWA has latitude in the plans to meet the local needs of the community and their participants. Implementation of a process/strategy is needed for conducting a comprehensive assessment of local employer/participant needs and determining eligibility for the program. All plans should be consistent with locally approved service polices.

The MWAs are authorized through this policy to use their local sole-source procurement process to establish contracts. Contract periods shall not go beyond September 30, 2021.

Action:

Within 30 days from the issue date of this policy, MWAs shall prepare and submit electronically to the LEO-WD at LEO-BusinessResourceNetwork@michigan.gov:

- A revised BIS for the BRN program utilizing the BIS document contained in this policy.

All other requirements and stipulations contained in PI 20-23, and PI 20-23, Change 1 remain in effect.

Upon receipt of this document, the LEO-WD will issue Grant Action Notices as detailed in this policy.

The MWAs will process all cash requests through MARS in accordance with the MARS Manual. The MWAs must have on file appropriate documentation to support each cash draw. All financial transactions are to be reported on an accrual basis. Accrued expenditures mean the charges incurred by the grantee during a given period requiring the provision of funds for (1) goods and other tangible property received; (2) services performed by employees, contractors, subgrantees, subcontractors, and other payees; and (3) other amounts becoming owed under programs for which no current services or performance is required, such as annuities, insurance claims, and other benefit amounts.

In general, total accrued expenditures are costs incurred for goods and services received regardless of whether the payment has been made.

All reporting of fiscal expenditures for the funds policy must be reported to LEO-WD on a quarterly basis. A final close-out report is also required. All quarterly financial expenditure reports are due to LEO-WD no later than the 20th calendar day after the end of the calendar quarter. The final close-out report is due to LEO-WD no later than 60 days after the end of the grant period. In the event the due date falls on a weekend or state government holiday, the report is due on the last business day prior to the due date. Local areas must submit reports in MARS. If there are any questions regarding cash requests or the submission of required expenditure reports, please call Michael LaCharite at 517-335-6051.

Plan Narrative

A. Michigan Works! Agency (MWA) Identification Information

Business Resource Network (BRN) Plan Contact Person: Identify the MWA contact person (including telephone number and email address) for purposes of discussing the BRN plan contents.

B. Description of BRN Services to be Provided

1. Participant Eligibility

Describe the client assessment process and the development of the Individual Service Strategy (ISS) for those served utilizing state funds. Tools must focus on identifying participants eligible for the BRN Program, establishing a case plan to assist participants with identifying and overcoming barriers to maintaining employment, and identifying the tangible and intangible services available to each participant. Additional tools may be used. The MWAs must provide continued wrap-around services for all BRN participants currently enrolled in the program.

2. Employer Eligibility

A description of employer recruitment efforts to establish qualified BRN employers.

3. BRN

A description of the planned work to establish new BRNs and maintain existing BRNs; including the planned number and location of new BRNs to be established.

4. Success Coaches

A description of the planned number and location of Success Coaches and how they will be utilized.

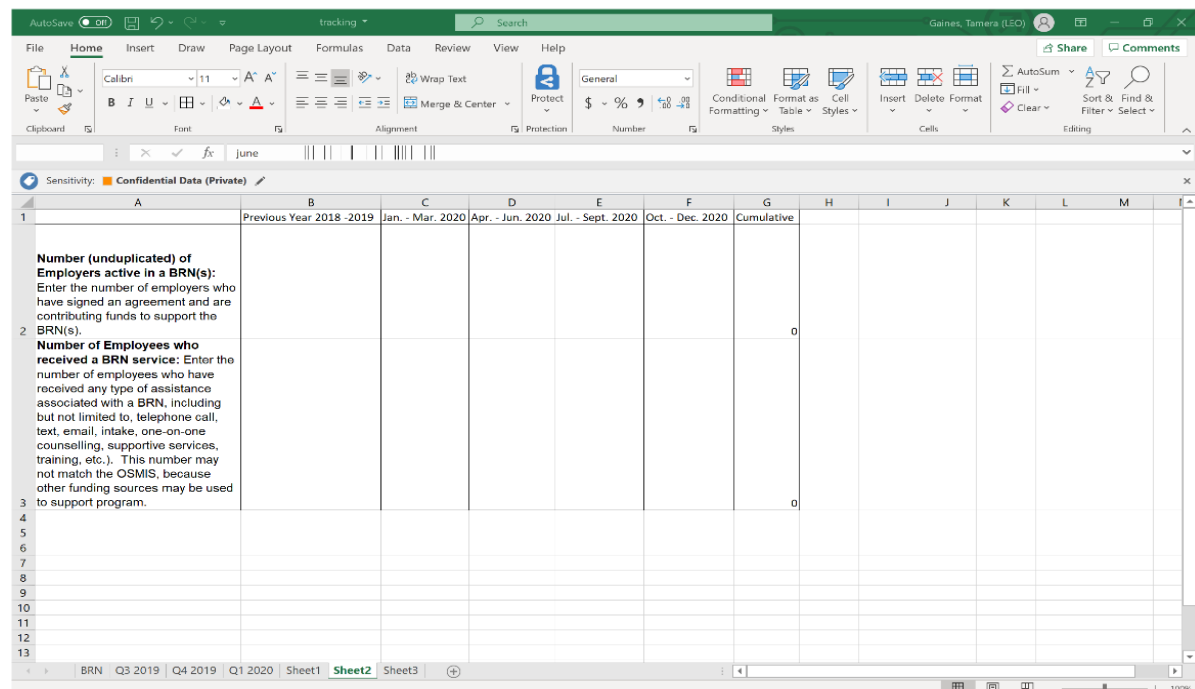

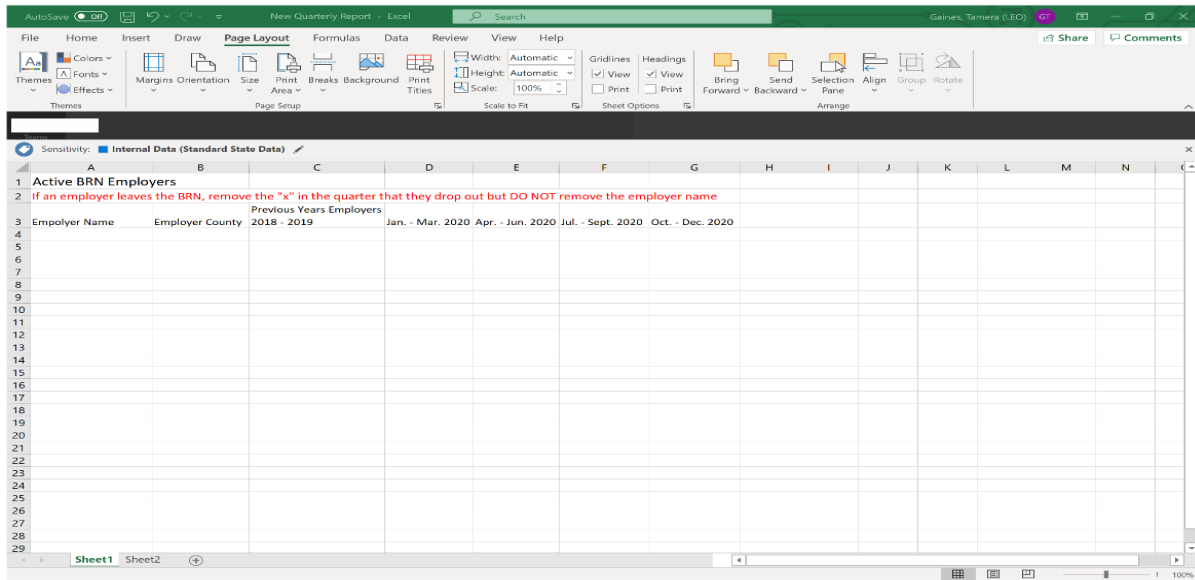

5. Case Management

Provide a description of the ongoing case management services for participants.

6. Other Supportive Services

Provide a description of the supportive services made available to participants and any local restrictions on their provision surpassing those set forth in State policy.
