

Fetal Alcohol Syndrome Projects and Services

(2020 Appropriation Act – Public Act 67 of 2019)

February 1, 2020

Sec. 1313. (1) *The department shall continue developing an outreach program on fetal alcohol syndrome services, targeting health promotion, prevention, and intervention as described in the Michigan fetal alcohol spectrum disorders 5-year plan 2015-2020.*

(2) *The department shall explore federal grant funding to address prevention services for fetal alcohol syndrome and reduce alcohol consumption among pregnant women.*

(3) *By February 1 of the current year, the department shall provide a report to the house and senate appropriations subcommittees on the department budget, the house and senate fiscal agencies, and the state budget office on planned spending of appropriations within the department budget for fetal alcohol syndrome projects and services, including appropriation line item, agency or recipient entities, amount and purpose of allocation, and detailed uses.*
